School Prayer Issue Aids Reds

Dear Mr. Editor,

According to a bulletin by the United States Department of Agriculture, the Russians, have made it a criminal offense to neglect farm machinery. This drastic action isn't hard to understand since the machinery, land and crops all belong to the State. American farmers learned years ago to neglect their farm machinery was an act against their economy.

"By the sweat of Thy Brow Thou Shalt Eat Bread". Of course the Russians would not know anything about that, but the discontinuance of Bible reading and prayer in our schools is right up their alley. Why not amend the 1st amendment to the Constitution of the United States by adding Church and State shall not mix beyond Bible reading and prayer in our schools. And speaking of schools remember the words of Bodker T. Washington, "Socially we are divided as the fingers, but economically we are as the hand."

Dear "Governor":

Please accept my congratulations and commendation for the splendid and successful job you and your paper did on the school and hospital bond election!

It was the best managed and directed effort I have ever seen; and every one connected with it should feel fully satisfied, especially since it was for such a worthy cause. It is a great forward step for the whole county.

Legion Post 130 To Meet

Regular meeting of the American Legion and Auxiliary Watauga Post 130 will be held at the Legion Hut Friday evening, Sept. 27, at 7 o'clock. A special program, "operation abolition", a true picture of Communism, will be shown by Colonel Clyde Miller. All ex-service men and their families are urged to attend. Refreshments will be served.

Newcomers Club Meets

The Faculty Newcomers Club of Appalachian State Teachers College entertained the wives of the new faculty Saturday afternoon, September 7.

The group met in the Fine Arts Building Auditorium and were welcomed by the club president, Mrs. Howard Ryan. Mayor Wade E. Brown gave a report on the history of Boone. Dr. Jim Stone gave a brief history of the college and plans for future expansion. Following the informative re-

marks by Stone and Brown, the group was taken on a tour of the campus and points of interest in Boone. The tour was planned by Mrs. O. K. Webb Jr. and conducted by Mrs. Jim Lacy, Mrs. W. L. High, Mrs. Paul Patterson, Mrs. Paul Sanders, Mrs. A. M. Denton Jr., Mrs. Frank Steckel, Mrs. Ben

Bosworth, Mrs. Charles Scruggs, Mrs. O. K. Webb Jr., and Mrs. J. E. Johnson. Faculty newcomers include: Mrs. Clawson Wells, Mrs. Robert Poe, Miss Cynthia Stiles, Mrs. Ada Crisp, Mrs. Starr Stacy, Mrs. Donald Askins, Mrs. Milton Blue, Mrs. H. L. Bowman, Mrs. Roger Clites, Mrs.

James Cole, Mrs. Walter Connolly, Mrs. Ray Graham, Mrs. B. C. Pate, Mrs. LeRoy Pike, Mrs. R. E. Reiman, Mrs. T. L. Tedford, Mrs. Thurston Walls, Mrs. Elmer White, Mrs. E. G. Woodcock, Mrs. William Imperstore and Mrs. John Hamilton.

Most people listen to loud talkers, and that explains much of the confusion prevalent. Peoples are not equal and anyone who confuses equal opportunities with absolute equality is off the deep end.
