

A QUIET LAKE and a sunny afternoon make a nice combination for relaxing. This lake on the Chetola Estate makes you want to hang your fishing hook in

the water, relax on a soft moss-covered bank and hope nothing bites.

### 4-H Program Planned For November 1

The Watauga County Home Demonstration Clubs will hold their annual Achievement Program on November 1, at the Boone Methodist Church. The program will include exhibits which will be on display from 2 until 5 p.m. in the afternoon and the evening program at 7:30.

Mrs. Frank Phillips of Avery County will be the guest speaker. Mrs. Phillips represented North Carolina Home Demonstration Club members at the Associated County Women of the World Conference at Melbourne, Australia, in 1962.

### DRUNKEN HORSE-DRIVING

Carlotta, Calif.—Highway Patrol Officer L. H. Sneed reported he noticed a horse and rider zigzagging all over the highway. A closer investigation disclosed Jack LeRoy Irwin, 65, all dressed in cowboy garb lurching in the saddle and the horse was walking all over the road.

In giving Irwin a ticket for drunken driving Sneed wrote "1961 black gelding" in the space for type of vehicle.

### Council Gives O. K. To Plan For Parkway

Asheville, Oct. 8—The Travel Council of North Carolina endorsed yesterday the proposed extension of the Blue Ridge Parkway into Georgia.

The extension has been proposed by Rep. Roy Taylor, D-N.C., and is backed by the National Park Service. The Parkway is a national park.

The travel council also reported its opposition to use of highway funds for non-highway purposes and said the way to stop this diversion would be to win adoption of "an appropriate amendment to the Constitution."

Another resolution urged that schools not open until after Labor Day. Requiring registration before Labor Day, the resolution said, "creates hardships for teachers and students" who have summer jobs in resort areas.

### Package Tours Urged

Voit Gilmore, director of the U. S. Travel Service and a former North Carolinian, urged delegates to prepare package tours of the state from the mountains to the coast. He said travelers from foreign countries insist on seeing Indians and said North Carolina's Cherokee area meets this need.

### Letter To The Editor On Decisions Of High Court

The cry of "Oyez! Oyez!" will echo through the high marbled chamber of the Supreme Court of the United States Monday morning, Oct. 7, 1963.

Not only the authorities in constitutional law will be watching and waiting for decisions, but others will be scrutinizing the outcome that never had a pair of shoes until they were 21.

There seems to be 3,084 cases that have backlogged since the 30's that should have attention. I would suggest decisions for the people who settled this country instead of those brought here against their will, in chains. Still we provide Equal Education, but separate.

Yours,  
J. C. Church.  
Uniontown, Pa.

### Fellowships Are Now Open

Danforth Foundation Fellowships are open to male college seniors or recent graduates preparing for a career of teaching, counseling or administrative work at college level, it was announced this week by Dr. J. R. Melton, professor of education at Appalachian State Teachers College.
