RETIRED PAY BOOST

The new military-pay law provides increases in pay for retired members of the armed services, as well as for those on active duty. The provision in the military pay bill provides for an automatic boost in retirement pay whenever the consumer price index rises more than 3 per cent in a year. The increase will be the same as the increase in the index.

SATISFIED AT LAST

Aurora, Colo. — Although it cost her a night in jail, Mrs. Evelyn Gordon, 26, finally fulfilled an urge to throw a brick through a plate glass window.

The mother of 3 tossed the brick through the plate glass window of the police station, just missing the police dispatcher.
