

# Devils Win Sixth Straight 7-AA Grid Crown

By RONNIE HUNT

Appalachian High School clinched its sixth consecutive District 7-AA Northern Division championship last Friday night with a 39-0 conquest over arch-rival Elkin High School. The win gave the Blue Devils a 5-0 record in conference play and a 6-1 record overall.

Elkin won the toss and received the opening kickoff. On their first play from scrimmage they tried a pass which Gary Storie intercepted and returned twenty yards for a touchdown behind the fine blocking of Glenn Triplett. Phil Hampton plunged over for the extra point. Midway through the second quarter, Chuck Blanton broke over right tackle and sped 59 yards for a touchdown. Jim Reary ran the extra point to give the Blue Devils a 14-0 halftime edge.

Appalachian took the second half kickoff and marched the ball all the way for a touchdown with the score coming on a 13-yard pass from Mike Wilson to Chuck Blanton. Jackie Roten ran the extra point around left end.

The Blue Devils struck again on the second play of the final quarter when Jim Reary passed over the middle to Ronnie Hunt for a touchdown. Appalachian scored again on a 14-yard pass from Mike Wilson to Jackie Roten. The final touchdown also came on a Wilson to Roten pass which covered 34 yards, making the final score 39-0.

While the offense put on a dazzling 39 point performance, the Blue Devils' defense gave up yardage begrudgingly. This is indicated by the fact that Elkin never got inside Appalachian's 25-yard line.

Next week the Blue Devils venture to Taylorsville to take on the Taylorsville Bears in a non-conference contest. Game time will be 8 p. m.

The scoring by periods is as follows:

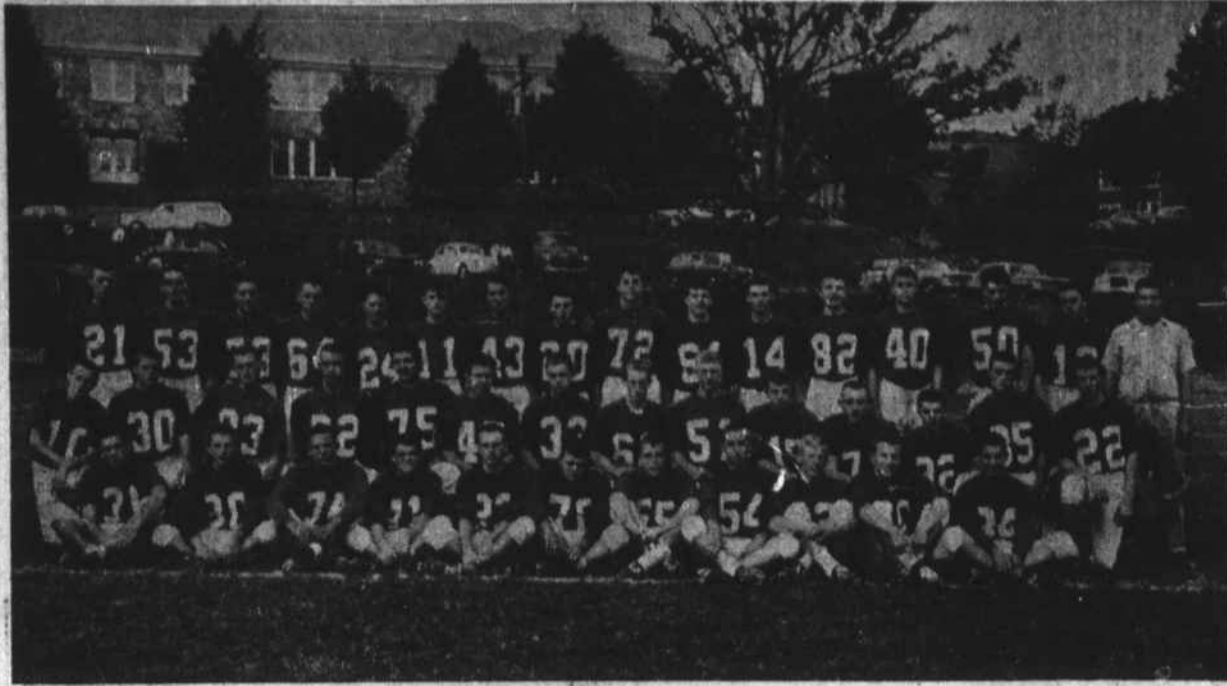

AHS	7	7	7	18	39
Elkin	0	0	0	0	0

AHS—Storie, 20 intercepted pass (Hampton run)  
AHS—Blanton 50-yard run (Reary run)  
AHS—Blanton 13-yard pass from Mike Wilson (Roten run)  
AHS—Hunt 4-yard pass from Reary (pass failed)  
AHS—Roten 14-yard pass from Mike Wilson (pass failed)  
AHS—Roten 34-yard pass from Mike Wilson (run failed).

### MORE VISITS PLANNED

Having recently returned from a one-day visit to Arkansas, President Kennedy has announced he will visit four other states this fall, including two key Southern battle-grounds — Texas and Florida.

Texas, in particular, figures to play an important part in next year's Presidential election, especially if Senator Goldwater (Ariz.) is the Republican nominee to oppose Kennedy.

AHS BLUE DEVILS . . . NORTHERN DISTRICT CHAMPIONS

ALTON JOHNSON

## Football Closeup

By RANDY HOUSER

Alton Johnson, guard and defensive linebacker, has helped AHS to win many games in the past years. He has played since his freshman year and has advanced steadily to become one of the best tacklers and pass interceptors AHS has had. This 155 pound, 5 feet, eleven inch athlete proved this especially in the game with the North Carolina School for the Deaf, in which he intercepted some

very important passes.

Alton is now living with his parents, Mr. and Mrs. Hal Johnson, on Blue Ridge Avenue in Boone. He is a member of the Men's "A" Club, Student Council, and Editor of the Annual. He is also a wrestler.

His plans after high school are to go to West Point and to become an officer.

Eating is getting to be a costly habit.

GARY BROWN

## Gary Brown Is Bright Spot In Blue Devil Wins

By LEE STROUPE

Gary "Goober P." Brown is one of the bright spots in the Appalachian High School football lineup. He plays tackle on both the offensive and defensive lines. At 165 pounds, he is outweighed by almost every man he faces, but Gary has yet to back down to any of his larger foes. His leadership ability was displayed at NCSD when he represented the team as captain in the Blue Devils' 28-14 victory. This is Gary's fourth season of football.

Brown also is on the wrest-

ling team and, as in football, he often has to tangle with boys much larger than he. He is also a member of the Men's "A" Club.

Gary's plans for the future are indefinite, but he says he will probably attend Appalachian State Teachers College. He is the son of Mr. and Mrs. Luther Brown of Boone.

### TOOTH PASTE FOR FALLOUT

Helsinki—A toothpaste which removes radioactive strontium from the system by way of saliva has been developed by specialists in radiation research at Helsinki University.

Most of the fallout absorbed under normal conditions will be eliminated by using the toothpaste twice a day. A cream for application to the skin will soon be available.

The first full-fledged Wood Products Extension program established in any state was made possible in North Carolina by the contributions of farmers through the Nickels for Know-How Program.

Success of Dodgers traced to stand-pat policy.

## Bowlers Of The Week

By JAKE JACOBS

Harvey Ayers, bowling for the Varsity Shop in the Tuesday night Merchants League, topped the pins for a three game set of 608. His series was composed of games of 164, 198 and 246. On the following night, bowling for M and R Furniture in the Boone Ten Pin League, Ayers hit games of 218, 151, 234 and 225 for a 828 set. His overall average in the two nights of bowling was 205. Had it not been for the two low games during the two sets, Ayers would have had a fantastic average.

Gilma Brown, an ASTC student, bowled games of 248, 179, 170, 244 and 187 in open play. Her five game set averaged out at 205. Gilma, a student in one of the college P. E. classes taking bowling, hit all of the five games in a row.

Marvin Deal posted an 809 set in the Monday night Sportsman League and then hit a 769 set in the Boone Ten Pin League for a week's average of 197. Marvin was quite consistent in that his low game of the eight bowled was 171 and the high was 224.

Tommy Critcher in the Boone Ten Pin League hit games of 196, 216, 196 and 211 for a four game total of 819 and an average of 205.

### WEEPING TOWN

Merthyr Tydfil, Wales—Children saddened by the loss of their pets recently made this town a weeping town.

The children wept for their pets and adults were saddened when more than a hundred cats and dogs died in a few days of food poisoning. Many more were ill.

Health officials said the animals died after eating horse meat brought from a pet shop. The meat came from a wild horse that had probably swallowed poisonous sheep dip.
