Monument To Farmer Bob Is Urged By Local Civic Leader

By HERMAN W. WILCOX
President
Boone Chamber of Commerce

Lincoln Of The Hills
A giant of the Blue Ridge Hills, who was he?—A stalwart mountaineer, born on top of the "Beautiful Blue Ridge Mountains," brought up with the animals of the fields he loved so much.

He walked and talked with seven presidents, and with the great of the nation and the world, and still was one of us. No doubt he was one of the state's greatest statesmen—This was "Our Uncle Bob Doughton."

Like other great leaders, he has gone on to his glory. I shall never forget the great honor of being personally acquainted with Uncle Bob, and recall so much the many things he helped us with in our country. Some of our major projects were brought about by his deep interest in them and in his giving all he had to bring them about.

The Federal government is now considering erecting a monument in his honor, and some talk is that it will be erected in Washington. I sincerely believe such a monument should be erected nearer to where he was born and lived. We hope the citizens of Laurel Springs will act.

Another Monument
It is our sincere belief that we should make a determined drive to have erected somewhere on King Street a monument to another great pioneer, Daniel Boone. It should be where everyone who enters Boone could see it. Let's do something about this.

We so often have strangers coming by and desiring to know more about the pioneer our town was named for, searching for some positive markings of "The Daniel Boone Trail" and the "Wilderness Road."

Perhaps this should be a project of the Chamber of Commerce and the Southern Appalachian Historical Association.

Worthwhile Club
The department of art of the Worthwhile Woman's Club committee "Keeping Christ in Christmas" are doing a good job in lining our business places up to

decorate their windows. Fifty-three cards have been passed out. These windows should be decorated immediately so as to be ready to be judged.

Area Folders In Moscow
Honorable Wade E. Brown, our mayor, produces a picture with Russian people holding "Tweetsie Railroad Folder" in Moscow. Mr. Brown made it a point to distribute folders on Boone and this area on his goodwill tour which took in several foreign countries. A very worthwhile example for others. Mr. Mayor, we appreciate this.

"Horn" Gets Another Boost
A two-year continuous effort to have "Horn in the West" promoted in a unique way has paid off.

Through the cooperation of The Savannah Sugar Refining Corp., a scene of our drama will appear on the individual sugar bags distributed throughout our state.

The following letter confirms the final arrangements.
Mr. Herman Wilcox
Executive Vice-President
Horn in the West

Boone, North Carolina
Dear Mr. Wilcox:
We are mailing you several boxes of our **DEKIE CRYSTALS** new North Carolina four color series. As you will see, the Horn in the West drama is one of the scenes which will be distributed by the millions all over the Tar Heel State.

This is an initial trial run, and we are taking steps to lighten your picture slightly and bring the whole set into 100 per cent register. However, we know you would be interested in seeing this trial run and hope you enjoy the sugar.

Yours very truly,
Alex L. Cost
November 20, 1963

The scene will show the major characters of the drama in full color, and the caption shows that the drama is being presented in Boone.

Despite notions to the contrary, money can buy just about anything in small towns—as well as in large ones.

When Buick builds a LeSabre -- Buick builds a high-priced car, and puts a low price on it.

Lots of cars are in LeSabre's price class, but that's where the resemblance ends. For instance: Does anybody else in LeSabre's class treat you to that gentle Buick ride or impressive Buick performance and new gas economy? No. And who else gives you 15-inch wheels, finned aluminum front brakes, extra cushioning for middle-seat travelers, and separate heat ducts and controls for the rear seat? Right again: Nobody in LeSabre's field but LeSabre. If all this makes you think a LeSabre would look awfully nice in your garage, you should see how nicely it fits a budget. You know who to see about it, of course: your Buick dealer. Who else? Above all, it's a Buick
