

Speaking Of Golf

By JOE MAPLES

A match between the Lake Hickory Country Club and the Boone Golf Club was played in Hickory Sunday under sunny skies and rather nice conditions, although a lot of snow and wind was in evidence in Boone when the players left that morning.

The Lake Hickory Club, helped somewhat by the absence of several Boone players, came out on top by a score of 80½ to 51½. Pete Sherrill and I shot 73's followed by John Broyhill and Bobby Bumbarger with 74's to lead both teams in scoring. Listed below are the matches:

John Broyhill and I defeated Pete Sherrill and Bobby Bumbarger 5½ to 3½; Austin Adams and Sam Adams of Henry Huggins and Ed Walker 9-0; Raleigh Frye and Homer Eckard of Bob Masten-A. E. Hamby 8-1; Ed Greer-Howell Fox of Sam Travis 6½-2½; Jack Sides-Hap Holliday of Jim Cottrell 8-1; Billy Cook-Johnny Parker of Bob Ormond-J. C. Williams 5½-3½; Ken Johnson-Pic Walton of Hugh Young-Bill Williams 5½-3½; Shula Sherrill-Jim Cloninger of Jerry Coe-Howard Cottrell 9-0; Ed White-Austin Longworth of R. D. Hodges-H. J. Cottrell, Jr. 6-3; O. K. Richardson-Ray Graham of Glen Burton-Bennie Arcuri

6-3; J. W. Miller-Cloyd Propst of Shula Aldridge-Truman Critcher 6½-2½; J. E. Joines-Dick Maxey of Russ Dupille-Cobb Cauble 4½-4½ (halved); Bill Bailey-Al Henderson of J. E. Joines Jr. 6-0; Ray Lall-Sam Eckard of Carl Mecks-Frank Hagaman 6-3; Glenn Andrews-K. T. Williams halved Mack White-James McBride 4½-4½.

Received a card from one of our summer members, Joe Edmondson. He is basking in the sunshine of New Orleans and enjoying some golf on a course beside the Gulf of Mexico. To quote his card, "Pearl is having a picnic here, I'm attending!" Good to hear from the "Laxton Open Champion."

The match Sunday at Hickory completes the major activities of the Boone Golf Club for the 1963 season, and with snow on the ground and more coming, it looks as if golf on the local scene may be over until spring. With local players looking for other courses to play during the coming months, activity will pick up at courses down the mountain such as Morganton, Hickory, Wilkesboro and Tri-County. Next winter, a new course at Lenoir will be ready for play with Bent grass greens and this will be welcome news to our players who are used to this type of grass on the greens.

ASTC Gridders Lead Voting For All-District Football Honors

Tackle Larry Hand of Appalachian, halfback Willie Tart of Elon, and guard Greg Van Orden of Appalachian led the balloting for all-district football honors among NAIA teams in the two Carolinas, according to an announcement this week by Jim Jones, district chairman. The trio were the only ones selected by district coaches to both the offensive and defensive units of the dream team which has representatives from seven colleges.

Hand, massive 235-pound junior, led the balloting, receiving sixteen of a possible eighteen votes for both units. He was a unanimous selection on the defensive squad. Van Orden received fifteen votes while Tart received 11.

School-wise, Appalachian placed four on the mythical teams, with Catawba, Lenoir Rhyne and Western Carolina placing three each.

Offensive Unit
Ends—Fred Haley, senior at Newberry, and Bucky Pope, senior at Catawba.
Tackles—Larry Hand, junior

at Appalachian, and Larry Beightol, senior at Catawba.
Guards—Greg Van Orden, senior at Appalachian, and Cameron Little, senior at Elon.
Center—Howard Barnhardt, senior at Lenoir Rhyne.

Quarterback—Tom Gorman, senior at Newberry.
Halfbacks—Willie Tart, senior at Elon, and Bryan Applefield, freshman at Catawba.
Fullback—Ken Sanford, senior at Western Carolina.

Defensive Unit
Ends—Joe Hightower, senior at Appalachian, and Ken Sands, freshman at Lenoir Rhyne.

Tackles—Larry Hand, and Frank Stankunas, senior at Western Carolina.

Guards—Andre Correll, sophomore at Lenoir Rhyne, and Ken Moorhead, junior at Wofford.

Linebackers—Greg Van Orden, and Jimmy Deangelis, sophomore at Western Carolina.

Halfbacks—Larry Harbin, junior at Appalachian, and Bill Lane, junior at Wofford.
Safety—Willie Tart.

Hand Named Most Valuable In Conference

Appalachian's Larry Hand has been named the Most Valuable Lineman in the Carolinas Conference in a poll taken by commissioner Joby Hawn.

The award climaxed a fine season and many post-season honors claimed by the Butler, N. J. junior. In addition to the top conference award, Hand has been named to the NAIA All-District offensive and defensive units, the Carolinas Conference All-Conference, and the Greensboro-Daily News All-Conference, and the Greensboro Daily News All-State.

Hand was honored for his gridiron record at a special awards banquet held in conjunction with the annual conference meeting in High Point Tuesday night.

SURVIVES BULLET

Two Harbors, Minn. — Roger Olson, 9, was struck by a stray bullet from the rifle of a hunter. The bullet entered the boy's right ear and came out in his mouth. In the freak accident the slug did not hit a bone or tooth. Roger's mishap was not serious.

Health and Beauty

Today's top nutritionists and mental hygienists have exploded the myth of the "jolly fat man." They point to overweight as one of the greatest health problems in the country. They tell us that if we want to enjoy good health in later years, we must watch the amount and kinds of food we eat; beginning in childhood and continuing during our entire life.

Doctors stress a variety of common-sense rules that call for the avoidance of stresses, strains, tensions and fatigue. They emphasize the need for moderation and a philosophic adjustment to life.

There have been successful experiments by endocrinologists to indicate the possibility that the use of hormones may slow down the process of aging. Right now the best thing you can do is to have periodic complete medical examinations to cut down on the ailments which hasten the degenerative process.

All indications are that future advances in lengthening the life span will come not only from medication, but from education. Learn all you can about taking good care of your mind and body.

There have already been great gains in the field of human longevity. The outstanding increase has been the result of the success in reducing mortality rates of infants and children. The new miracle drugs are enabling many people in their

early and middle years to survive to later years. Advances in life expectancy in the later years have been small.

Old age is the time of chronic diseases, which cause over

a million deaths annually. Life expectancy is poor among low income groups. Better housing for many of our oldsters would add to life expectancy.

Sc'ish people never made a nation great, regardless of the fortune they manage to acquire.

Comment On Sports

By PETE FRITCHIE

Washington, D. C. — This is the time of year sports writers start voting, talking and writing about the greatest feats of year. Looking over all the greats on the U. S. sports scene, the biggest item must be the sweep of the New York Yankees in four straight games by the Los Angeles Dodgers in the World Series.

This would have been big sports news if the Dodgers had merely won. But they scored an early knockout. Yet it would not be right to say the Dodgers breezed through the Yankees.

They didn't. Every game played, of the four, was respectable. The Yankees could have won any one of them with one big inning late in the game. They were consistently smothered with great pitching.

The story of this Series was pitching and it is the old story in baseball. The Yankees' Whitey Ford is as cool under the guns as anyone. He didn't have the fine edge in the first game, though, to beat Sandy Koufax.

What many fans and some sports writers missed was the fact that Podres and Drysdale pitched as well or better than Koufax. Sandy was more spectacular. He deserved the honors for the overall performance of the year. But in the Series, Drysdale didn't allow a run and Podres departed in the ninth inning of the second game with the Yankees at zero.

That was simply too good, from the number two and three men. Downing and Bouton could not match that, even against the lighter-hitting Dodgers. In the second game he worked, Whitey Ford shouldn't have lost. He gave only two hits but should have given up Joe Pepitone instead. Ford really outpitched Koufax, if a choice had to be made, though it was head-to-head.

The Yankee taken in four! That has to be the big sports story of 1963.

There were other great stories. Chuck McKinley winning the Wimbledon title was like the great old days. But it has been a long time since anyone ran over the Yankees and rubbed their noses in the dirt!

Some fans had been waiting a long time.

Harvey Stratton Coach Of Year

Harvey Stratton, head football coach at Catawba College, has been named Coach of the Year by his coaching associates in NAIA District 26, it was announced today by Jim Jones, District Chairman. Stratton has just completed his second year at the helm of the Indians, guiding them to a 6-3 season and a share in the Carolinas Conference championship.

A former Catawba gridiron star, Stratton returned to Catawba seven years ago as backfield coach. Last season he was elevated to the head coaching spot. After a 3-6-1 season last year, Stratton has now returned to his former position as a power in small college football, and brought home a share of the first football championship since 1947.

Ford to coach Yank hurlers and also hurl.

Tigers send Colavito to A's for Lumpe, two others.

Mountaineers To Be Host To Indians

The Appalachian Mountaineers open the conference home season here Saturday evening when they host the Indians of Newberry College.

Game time is 8, following a contest between the Appalachian junior varsity and King College at 6.

The Saturday action will be the second conference battle for the Mountaineers. Tonight (Thursday) the cagers journey to Pfeiffer College for the opening of conference action. Last Tuesday Appalachian opened the season with Mars Hill College in a non-conference scrap.

Appalachian is expected to offer fans pretty much the same team that finished the season a year ago. Although more experienced, the Mountaineers still suffer from the lack of the effective big man in the center position. Tony Gray had been expected to be the starting center this season but a broken foot bone will keep him sidelined until after Christmas.

Lanky John Dobbs and Joe Halley are expected to share the duties until Gray returns. Forwards this season are Wayne Duncan and Jim Richardson, two top performers from last season. Coach Bob Light can select from a host of fine guards, including Doug Wall, Jerry Francis, Jack Lytton, and Jimmy Goff.

Newberry, under new coach

Niel Gordon, is in a rebuilding period and has a flock of new players to go with several veteran performers. Phil Musgrave and David Hawk were outstanding players last season and are expected to be two of the finest in the league. Coach Gordon may be remembered as the great All-American at Furman a few years ago, and may be counted upon to inject his spirit and drive into his new team.

Van Orden On All-State Team

Greg Van Orden, star Appalachian guard, was recently named to the All-State team of the Greensboro Daily News, along with teammate Larry Hand. Van Orden had previously been honored by being selected to the Carolinas Conference All-Conference team and to both offensive and defensive units of the NAIA All-District team.

FULL 'CONCUSSION'

Denver — Testifying in a damage suit over an auto accident, a 12-year-old boy said he had received a concussion.

The judge asked the boy if he knew what a concussion was. "It's when you tell what you know, like you say to the priest you sinned," was the boy's reply.

Here's why you'll tell other people you like it.

Wide-Track, for instance. Wide-Track is what does away with tilting your way around turns. Pontiac's smoother, quieter ride is another thing you might point out. A big 389-cubic-inch Trophy V-8 is standard in each and every Pontiac. You get to choose from 34 engine/transmission teams to harness all that power. (Happy choosing!)

Now then—on to more of the things that

make the '64 Pontiac so thoroughly likeable. Frankly, we couldn't think of anything radical to do with this car. Oh, we made the styling even more stylish, as you can plainly see. We lavished even more care on the interiors. We even improved the light bulbs. But as for more vital things, why change? Improve, refine, sharpen—yes. Change—no. And you can tell that to your friends.
