Underground **Campus** Action **Noted In Speech**

"This nation, as never be-fore, must become self-disciplined because we are at the time, hour and moment that we must lay our very lives on the line . . . stand up, be counted and act." This was part of a speech to 764 gradu-ates Thursday as they received degrees during the largest com encement exercise program in the institution's his-

bry. Dr. Felix C. Robb, Director Association of of the Southern Association of Colleges and Schools, touched several times on the slaying of Sen, Robert F. Kennedy in his address, and warned that everything the United States. stands for "will go down the drain unless everyone applies their capabilities contructively. "I urge each one of you to write your Congressman and demand legislation for the protection of all citizens," Dr. Robb said. "Demand a strong gun law, and demand the enactment of an already-passed bill which would provide for the establishment of public television to compete with the rotten-ness on the three commercial networks,"

"This is a grave time . . . a time when all people must more effectively use the fruits of their educated mind and the rule of reason-instead of the barbaric show of force that is the law of the jungle-or we shall surely find ourselves in that final confrontation in the struggle for freedom, for civilization and for live itself," he stated.

Appalachian's largest graduating class, including 599 who received bachelor of science degrees and 46 who received bachelor of arts degrees, plus 118 upon whom Master of Arts degrees were conferred, listen-ed intently to the speaker's words of warning along with over 2,000 invited guests who jammed into Broome-Kirk Gymnasium, Dr. Robb, former president of Peabody College, stated that we are not a sick society. Ours is a free society, although it has in it some sick members who irrationally forget that each man must be accountable for his own actions."

"Societies never die natural causes, but from murder or suicide," he continued. When a society stands still, failing to meet forthrightly the problems which arise from ignorance, fear and emotion

Kennedy Murder Topic

Of Streetside Talk

News of the death of Senator Robert F. Kennedy of New York aroused wide comment along the Street in Boone, as across the nation. While the New Yorker wasn't a favorite among Watauga

Democrats in his bid for the nomination for the Presidency, comment involved deep respect for the fallen most of the leader and admiration for his courage and devotion to his ideals.

While a great sadness was noted in local conversations, the most feeling was expressed perhaps for the Kennedy family as a whole in their continuing chain of sorrows. One fellow sized up his feelings this way: "Most folks would be tearing their hair and be engaged

wild weeping, particularly women. The Kennedys just grow calm and pray some more." "I wasn't for Kennedy for the nomination but he had the

right, or should have had, to campaign for the Presidency. This killing bit is out of hand."

Local people, hundreds of them, stayed with the funeral activities by television through the day Saturday and until the body was interred at night.

Senator Kennedy died in Los Angeles Thursday at 1:44 a.m. Pacific Daylight Time from bullet wounds of the brain inflicted Tuesday night in the California Presidential primary climax. Sirhan Sirhan, 24, a Jordanian is held on charges of firing the fatal shots.

sing; I love to perform." In addition to entering the swim suit and evening gown di-visions, that's just what Myra Davis will be doing this week in the Miss North Carolina Beauty Pageant, Owens Auditorium, Charlotte. Her talent selection will be

"Mi chiamano Mimi" from La Boheme by Puccini. It was another Puccini selection, "Un Ble Di" from Madame Butterfly, that won her a three out of three record in the Miss Watauga Pageant held last fall by the Boone Jaycees.

Since then the brown-eyed girl of light auburn tresses often has been home from East Carolina University, where she is majoring in voice, to fulfill her role as Watauga's first am-bassador. And these not infrequent, sometimes difficult-tomake trips, have won her the unquestioning friendship of all she has met. Saturday, June 1, she was

honor guest at a luncheon given by the Boone Jaycettes. And Saturday, again in her honor. the Jaycees hosted a send-off breakfast for the reigning queen. Monday, she and her chape-Shelby Strother, set out for Charlotte to begin Myra's week of competition and meeting the judges. The outcome of the state-wide pageant will be tele-cast from Charlotte Saturday night.
