Primary Graders Give Splendid Performance

Despite a steady downpour of rain, a large crowd gathered in the Edenton school auditorium Friday night to witness the operetta "Over the Garden Wall" by primary grade children. About 100 children, attired in attractive costumes made from crepe paper, took part and produced one of the most interesting entertainments yet shown in the new school annex. The youngsters were coached by Mrs. M. A. Hughes, who directed the play and in each instance various groups won rounds of applause by the audience.

The play was a success from every angle, the proceeds being approximately \$75.

Commissioners Plan Buy New Jury Chairs

Following the recommendation of the grand jury to provide more comfortable seats in the jury box, the County Commissioners at their meeting Monday considered the matter but postponed definite action until a later meeting. A sample of a fancy swivel chair was presented which would be screwed to the floor, but the Commissioners felt that a different style of chair more in keeping with the interior architecture of the building would be desirable and on that account held up placing the order until more appropriate samples can be furnished.

These samples will in all probability be on hand at the next meeting and new chairs purchased before the next term of Superior Court.
