

# 99% Of Chowan's Farmers Sign Up For AAA Program

## Horse and Mule Clinics Get Under Way During Week

Just before the closing date, December 31, for farmers to sign up for participation in the 1942 AAA program, County Agent C. W. Overman reports that final contracts were signed by a few farmers who had not previously signed, bringing to 99% the Chowan farmers who will cooperate. The result is that out of 813 farms 806 have signed up.

In order to put workstock in the best of working condition a series of horse and mule clinics were started this week on the farms of R. C. Holland and John G. Wood. Forty-six animals were treated for doundworms, seven were treated for botts and 13 were given dental treatment. Two demonstrations were given on proper trimming and care of feet.

Dr. L. A. Deese, local veterinarian, administered treatment assisted by Sam L. Williams, Assistant Extension Livestock Specialist from State College, and the County Agent. Examinations were free. Several animals were found to need no treatment. A total of 48 animals were treated at an average cost of \$1.00 per head. Through this work, work animals are treated in a wholesale manner at a minimum cost and farmers are advised in regards to caring for their stocks. Other clinics will be held during the next few weeks.

### MACKEYS

Floyd Hollis, of Fort Landing, is visiting his sister, Mrs. Johnnie Everett.

## WOMEN FROM RURAL HOMES ENTER ARMY SERVICE

Women as well as men on the farms and in the villages and small towns of the country are forging the front in America's united war effort.

The 2,000,000 men in our Army are not only supported by the patriotic civilian work of an increasing number of women and girls who are rendering efficient service in their home communities, but thousands of wives, sisters and sweethearts of the men in the combat forces are enrolling for active duty. Those now engaged in full time activities are members of the Army Nurse Corps, Reserve Nurses, hostesses in the various cantonments and dieticians in the hospitals and food consultants in the War Department and the camps.

Four-H Clubs have furnished ideal training for many young women now serving in auxiliary branches of our Army, according to a recent announcement by authorities in Washington. Conspicuous among the 4-H Clubbers now working for Uncle Sam is Mrs. Meryl P. Stone, designated as an associate of Miss Mary Barber, food consultant to the Secretary of War. It is Mrs. Stone's job to assist with menus for the soldiers in the camps and in the field. She will sample the "chow" and will be available for conferences at the Army Bakers and Cooks schools.

Mrs. Stone declares that the foundation for her present post was built during her 4-H Club days in soil in the valley of the Wisconsin river. A 4-H Club finished in

MRS. MERYL P. STONE

her community and Mrs. Stone was one of its active members. Under her leadership the Black Earth organization won honors at a county fair for skill in sewing.

After high school Mrs. Stone entered the University of Wisconsin to major in home economics. Following her graduation she served an internship as a future dietician at the University of Michigan and established a training course in dietetics for student nurses at a Detroit hospital.

Going to New York she joined the staff of a large commercial concern and continued her work in preparing recipes and balancing their caloric contents for hotels, schools, hospitals and other institutions. Romance and marriage came for the former Wisconsin 4-H Club girl and last summer with her lawyer husband, she moved to Washington, where she continued active in her chosen field.

The story of her career is not unlike that of many other women on duty for our Army, as shown by the files of the War Department. Four-H Club girls recruited from various sections of the country have answered the call to service and are giving the Government the benefit of their skill, thrift and efficient training. As home demonstration agents, many young women from rural communities are strengthening the civilian forces, and in other fields they have shown resourcefulness and initiative in their patriotic efforts for the nation's defense.

Wisconsin. (That quaint name, by the way, comes from the dark rich soil in the valley of the Wisconsin river.) A 4-H Club finished in

Inc., McMinnville, Tenn. Jan. 1, 8, 15, 22, 29.
