

C. Of C. Secretary Reviews Activities

(Continued from Page One)

scribers. Made trips to Raleigh, Richmond, Norfolk, and New York in the interest of locating Glove Factory in Edenton. (As you know, Pearl Harbor defeated this).

Conducted Aluminum Drive successfully with the aid of members of the High School Band.

Secretary attended State secretaries' convention, conference on N. C. Tax Structure twice and assisted State organization with tax study. Attended annual meetings at Tarboro, Goldsboro, Wilson and Washington. Also attended Ocean Highway Association meeting at Elizabeth City.

Entertained Highway Commissioner Carrol L. Wilson several times in the interest of local road improvements and succeeded in getting U. S. 17 widened and improved from Edenton to Perquimans County line, on Hertford highway. Also held meeting at Rocky Hock School in interest of construction work in that section.

Held two meetings jointly with Rotary and Lions Clubs.

Made survey and compiled data for erection of Airport in Edenton and secured permission from C. A. A., through Congressman, to construct same if and when county funds are available.

Secured cooperation of U. S. Civil Aeronautics Authority in constructing seaplane landing float for Edenton Bay, thereby placing Edenton on official airline maps as modern seaplane anchorage. Float built by N. Y. A. Shops of Pantego and Edenton. Materials furnished by Town Council.

Staged Edenton's First Annual Peanut Festival with overwhelming success. Gained valuable nation-wide publicity which is and will be of untold value to Edenton and vicinity.

Succeeded in locating NYA boys' woodworking shop in Edenton.

Staged musical programs and parades at Christmas time in cooperation with merchants.

Entertained soldiers of Company "A" 30th Engineers while located at local Armory.

Secretary mailed more than 1,000 parcels of advertising matter and letters of invitation to people from coast to coast inviting tourists and home-seekers to Edenton. This work requires most of the secretary's time.

Held street dance and entertainment for 2,000 soldiers during one-night stop in Edenton and furnished orchestra for same.

Entertained Vice President Sears Roebuck and Company and party relative to location of industrial plant

here. Also entertained representatives of Butler Brothers, Belk-Tyler, Lipsitz Brothers and others. Maintaining contact with these in hopes of future expansion.

Conducted survey of town to determine tourist business in Edenton. Found that tourists spend more than \$700,000 here annually in normal times.

Re-instated membership in U. S. Chamber of Commerce and Southern Secretaries Association. Secretary joined State Association.

Offered services and facilities to Du Pont for location of plant and received encouraging reply. Also visited Department of Conservation and Development in the interest of same.

Secretary made photographs and compiled data on available industrial and residential property for use in replying to inquiries regarding this.

Also assembled and compiled data and photographs for new Edenton-Chowan folder, 25,000 copies printed at expense of town and county. Quantities have been mailed to travel bureaus, Chambers of Commerce, and Carolina Motor Club offices.

The above listed activities are only a few of our possibilities and every dollar expended in the support of these worthwhile objectives has been, or will be, repaid many times in future value. Of course, our main objective now is to win the war and even though we all must, and are, doing all we can in the interest of national defense, we must not forget that post-war preparation is of vital importance, especially to Edenton and smaller towns where little or no defense manufacturing is going on. With the use of our new supply of attractive advertising matter, our office contacts with numerous manufacturing concerns, and our almost daily inquiries from home-seekers, we should, and can, make Edenton a more popular and progressive commonwealth after the duration.

The Town of Edenton is practically debt-free and there is no good reason why we should not provide certain possible advantages, even in these times. I have observed that towns and cities which are really going places are providing playground parks, community centers, swimming pools, community buildings, USO centers, beautification projects, and other necessary objectives vital to the progress of any town. Our sport fishing facilities are sadly neglected. We might easily cash in on sportsmen from all parts of the nation, for men since time immemorial have gone and always will go fishing regardless of conditions. A hundred dollars spent on advertising our God-given streams would reap thousands in a few months. Almost 20 per cent. of our able-

bodied man-power in Chowan County are in defense work away from Edenton or in the Armed Forces of our nation and some day they (or we) will be back and it is more important now than ever before to double our efforts in building for the future.

• "Whew . . . these Victory gardens sure give you exercise. But I can weed and hoe and stoop and twist without having these shorts bind or pinch." Gentlemen, for downright comfort and long wear, try HANES knitted Crotch-Guard Shorts. They provide gentle athletic support—help active men keep fit. Conveniently placed buttonless front. True fit, for less strain and better wear. Here's a tip for your wife. There'll be less work on wash-day and your shorts will wear longer if you change them frequently. A light rinse cleans them—without scrubbing. HANES knitted Shorts require no ironing. Wear them with a HANES knitted Undershirt for extra comfort.

*** BUY WAR BONDS AND STAMPS ***

The HANES Label assures you quality garments at moderate prices. If you can't get all the HANES Underwear you want, remember that a large part of HANES production is going to our Armed Forces. **P. H. HANES KNITTING COMPANY Winston-Salem, North Carolina**
