## Ralph Parrish Again Elected President Merchants Group

### Membership Will Comply With Freezing Accounts

At a membership meeting of the Edenton Merchants Association held Tuesday night at Hotel Joseph Hewes, Ralph E. Parrish was re-elected as president of the group. Mr. Parrish served as president during the past year and accepted the presidency only after explaining that his time would be limited and that he could not devote as much time as heretofore. John Mitchener was elected vice president, W. M. Wilkins, treasurer, and Mrs. Grace Dobson, secretary.

The following were chosen as directors to serve for the year: L. C. Burton, T. C. Byrum, L. S. Byrum, W. D. Holmes, John Mitchener, R. P. Badham, G. C. Hobbs, W. M. Wilkins and W. E. Malone.

At the meeting Mrs. Dobson presented a report of the Association's activities during the year which tended to show that a great deal more had been accomplished than the membership generally realized. T. C. Byrum also reported on the meeting of the State Merchants Association, and was very enthusiastic over the work being done throughout the State.

Former President J. G. Campen, who had no little to do with organizing the local Association, also stressed the need of merchants cooperating and the advantages of being affiliated with the State Association.

President Parrish was frank to say that local members fail to take advantage of the various services offered by the Association, and urged more interest on the part of members.

One of the most important matters to be discussed was the government's regulations concerning freezing of accounts. The Association voted unanimously to cooperate with the secretary in reporting these delinquent accounts. Under the regulations, all charge accounts must be paid in full before the 10th day of the second month after purchase, and if not paid by that time, the account will be reported, thus preventing the purchase of merchandise without the cash. Under the plan, too, installments must be brought up to date.
