Powell - Chestnut Wedding Sunday An Impressive Affair

Impressive by its simplicity was the wedding Sunday afternoon of Miss Nancy Elizabeth Chestnut and Robert Campbell Powell, which was solemnized at the home of the bride's parents, Mr. and Mrs. J. L. Chestnut, at 12:30 o'clock, with the Rev. E. L. Wells officiating.

The living room, where the ceremony took place, was attractively decorated with gladioli, daisies and burning tapers. During the ceremony Mrs. L. L. Lewis played "Serenade" and "Oh, Promise Me."

The bride, who was becomingly attired in a dress of white silk crepe with a white lace jacket and white accessories, was given in marriage by her father. Her corsage was of pink roses.

Miss Polly Chestnut, the bride's cousin, was maid of honor and wore a dusty rose crepe organdy dress with white accessories. Her corsage was of talisman roses. A brother of the bridegroom, Leslie Powell, of Newport News, Va., acted as best man.

Following the ceremony the bride's parents entertained at a luncheon for members of the bridal party and guests. The newlyweds left shortly afterward for Annapolis, Md., to spend their honeymoon, after which they will make their home in Portsmouth, Va., where Mr. Powell is employed in defense work.

Mrs. Powell was graduated from Edenton High School in the class of 1941, after which she enrolled in W. C. U. N. C., Greensboro, and later transferred to Chowan College, Murfreesboro. Mr. Powell is the son of Mr. and Mrs. L. C. Powell, of Gates.

Not just our Army, Navy and Air Force, but every man, woman and child in the United States is at war. Total war! War means Discipline—Discipline is the most important element in our whole endeavor, and whether we like it or not, we must do what we are told to do. Uncle Sam means business when he speaks.

Government regulations have been set up for the SELLERS and BUYERS OF FURNITURE. And under these regulations the Government is speaking to the Sellers and the Buyers in the same positive language.

Twenty per cent or 33 1-3 per cent means just exactly what it says, and \$1.25 or \$2.50 per week, or \$5.00 or \$10.00 per month means just exactly what it says.

If a bill is sold without the proper down payment, both the Seller and the Buyer have violated the Government regulations.

If a Buyer does not pay as agreed—his proper weekly or monthly payments and his account is not paid out in due time—both the Seller and the Buyer have violated the Government regulations.

When your Furniture Dealer tells you that you must pay a specific amount down under Federal regulations, remember it is your Government speaking. And when you are told at the office or by a collector that you must pay as agreed, again it is your Government speaking.

Everyone of us must realize and realize now that we are a part of this great nation, and much depends on how we behave in our relations with each other. We pledge to do our full part and cooperate with our Government in the matter of business regulations. We sincerely ask that our customers cooperate with us to the end that we as a nation may be preserved as a FREE and HAPPY PEOPLE.
