AT ST. PAUL'S

By C. A. Ashby, Cacique, Rector. An told that Lay Reader Marvin Wilson conducted a fine service last Sunday while your rector was sporting Nags Head and did not even go to church. Knew Marvin would do just that. He is a wise guy. Good Sunday School teacher, good church member, nearly always at church. He made one of the best Christmas addresses to the Sunday School last Christmas I have heard. Fear Marvin may get my job.

A chapter of the Brotherhood of St. Andrew is to be organized in St. Paul's next Friday (tomorrow) night, at 8 o'clock. Messrs. E. R. Conger, J. W. Graham, J. A. Moore, Wilbur Malone, Ernest Swain, James E. Wood, Hector Lupton and Marvin Wilson are to gather in the rectory on said date and perfect this organization. Brotherhood asks that number of those in the chapter be as few as possible, as few are more apt to attend anything than large group. Need a Brotherhood now. Many strangers coming to the Garden of Eden in connection with the glider base being set up here, so that Edenton will jump from about 3,500 population, black and white, to about 20,000. Some of the strangers are Episcopalians. It is the duty of all Episcopalians to welcome these strangers, for the Saviour said: "I was a stranger and ye took me in." Fear a few of St. Paul's members may forget to look up and welcome strangers, among other things.

Sunday School starts September 15. Mrs. W. H. Coffield, Miss Mary White, Miss Mary Moore, Miss Betty Wales and Marvin Wilson are teachers. Miss Paulina Hassell will substitute as teacher and will take the place of any regular teacher who must be away any Sunday. E. A. Swain is superintendent; C. P. Wales, treasurer; Miss Caroline McMullan, pianist; Hector Lupton, general utility man to attend every Sunday to do any job that shows up for which there is no doer.

Don't speak of the old organ, as Little Bluff said he would publish a paper I gave him on that subject. Little Bluff a politician as well as a newspaper man, and politicians always keep their promises (sic). Parish dinner for men only Thursday night, September 10. Hon. Graham H. Andrews, Mayor of Raleigh, and Hon. Joe B. Cheshire, of same village, to be the speakers. This dinner is not limited to men of St. Paul's Church. Open to any man wishing to hear these men discuss the duties of a layman to his church. Only ask that any lay man of any other church wishing to attend the dinner notify me by September 7, that I may hand name to the women who will handle this supper. Men of St. Paul's will be canvassed, and number who will attend will be given said women. They have my guarantee of 50, though in past many more than 50 have attended these parish dinners, coming even from Elizabeth City. Women must know how many to prepare for, and any guy not notifying will not eat. Both Hon. Graham and Hon. Joe favorably known to many of us. Both officials of Church of Good Shepherd, Raleigh, which I served for over five years, and Hon. Graham senior warden, Hon. Joe treasurer.

Bishop Darst visits this congregation to confirm Sunday, October 25. Instruction class must start Sunday, September 20, as all confirmed must be instructed in Bible, Prayer Book and usages of the Episcopal Church. Dislike to present any for confirmation without said instruction, so send in names now.

Congregations picking up in numbers as summer wanes, and in addition strangers moving in, some of whom are Episcopalians and attending. Big last Sunday for Marvin. Be big for me next Sunday. All out. Red Cross using rector's rooms in Parish House. Know all glad this wonderful organization so housed. Rector most gladly gives up rooms to such a fine organization. As strangers increase there will be many other activities in Parish House, such as dances (one being prepared for now with Bill Gardner, Dick Dixon and Misses Mary White and Betty Wales as committees to attend to); dinners, and so on. Now that war is on, and strangers here helping to lick Huns, Wops and Japs (many good of all these, but those fighting United Nations about as low down a gang as ever got together, and we will lick them some day, and I hope lick them good), must be entertained as churches in all places where war work is. These strangers make ready to lick that gang of pirates, hell cats, spolia opima, buccaneers, rapers, thieves, murderers, arsonists, bandits, etc. (You cuss them as they deserve, a preacher can't cuss even as low a body of cut-throats as we are fighting). We are not fighting nor wading in mud and mire, facing barbarism of those d--scoundrels as are many of our boys who are fighting to save U. S. and all free countries for us, who are not fighting, duty of us non-fighters to do all we can for making ready to, and now thank God, licking those Huns, Wops and Japs. Know St. Paul's will do its part. No more treatment of the Huns as after World War No. 1, but putting those savages, and the savages with them, where they will never be able to upset the peace of this old world again. We are tired of the wars of those Huns, who have

been fighting others, often with rapine, murder, rape and fire as far back as history goes, i. e., Attila the Hun, Kaiser 2, the Hun; that paper hanger, a scoundrel as black as ever spewed out of hell, Hitler. We are getting Hit, Muss and Yellow Belly on the run now. Tide has turned. May we beat the stuffing out of them and make them suffer as they have made countless innocent men, women and children suffer. I am a preacher and shouldn't ask revenge, but these Huns, Wops and Japs fighting us are so low they deserve all the United Nations can give them. They do not understand anything but force. The United Nations have force, but wish to use it to aid mankind. Those Huns, Wops and Yellow Bellies wish to destroy and rule the world. Recall their conduct in Poland, France, Norway and many other small countries, and the Yellow Bellies shaking hands with us as peaceful friends, and at the same time stabbing us in the back at Pearl Harbor, as damnable an outrage as history has ever known. We must lose many of our fine boys—the seed corn, girls, doctors, etc., to put down those scoundrels, and we must treat them as scoundrels and not as defeated but good folks, as we did after World War No. 1. God bless America. Amen.

Whereabouts Of Six Men Is Desired By Chowan Draft Board

Six occupational questionnaires have been returned unclaimed to the Chowan County Draft Board, due no doubt to the parties for whom they were intended moving and leaving no address.

Those to whom the questionnaires were addressed are John Knight, Richard Davis Privott and Anderson Harris, all colored, and William Walter Altman, Chester Ambrose Ward and Merrill Leon Ward, white men.

Unless these men are reached within five days, they will be reported as delinquents and turned over to the FBI for investigation. For that reason anyone knowing their whereabouts is requested to notify the local Draft Board so that they can be contacted and thus save embarrassment or further complications.
