

Commissioners Concerned About School Busses

Send Report of Grand Jury to Sergeant George Dail

After reading the report of the Grand Jury for the December Term of Superior Court, the County Commissioners on Monday took special notice of the following:

"The Edenton white busses were very dirty, the students playing in them during school hours and lunch periods. There are several cracked glasses in each bus. By interrogation we find most of this damage is done on the school grounds. Shortage of busses due to the war makes it very necessary that these busses be taken better care of. Chowan High (white) and Edenton colored busses are O. K."

In the discussion following, several of the Commissioners asked whose duty it is to see that these busses are kept in a proper condition from one term of court to another, and subsequently ordered M. L. Bunch, clerk to the Board, to send a copy of the Grand Jury's report to Sergeant George Dail of the Highway Patrol.

A copy of the report was also sent to John A. Holmes, superintendent of the Edenton Administrative Unit, and W. J. Taylor, county superintendent, last week.

Upon receipt of the report, Mr. Holmes informed the drivers of the busses coming to the High School that more care must be taken in keeping them sanitary, which fact evidently didn't set so well with the drivers because the trouble was caused while the busses were parked on the school grounds.

The drivers later went to County Superintendent Taylor's office for their pay, but Mr. Taylor, sensing trouble, said he would not issue any checks until the matter was straightened out, leaving shortly thereafter. The drivers then returned to the school and informed Mr. Holmes that they had not received their pay and therefore refused to drive the busses home. "All right," said Mr. Holmes, "let them stand. I can drive a bus home, so can Mr. Love and Mr. Swain, and I'll call the State Highway patrolmen to drive the others home."

Sergeant George Dail was subsequently called and two of the drivers were replaced.

Chowan Farmers Seek Protection Oil Peanut Price

Feel That Government Should Subsidize Prices

Peanut growers of Chowan County feel very definitely that the United States government should go with old peanut growers on a program that will protect their allotments, market quotas and also give a fair price for oil peanuts. A committee consisting of R. H. Hollowell, T. L. Ward, J. E. Baker and T. A. Berryman, with the county agent, C. W. Overman, attended the peanut meeting held in Tarboro last week.

Chowan County peanut growers feel that allotments and marketing quotas for old peanut growers should be protected, leaving the price of edible peanuts to be supported by the present legislation. They also feel that the government certainly should be willing to subsidize the price of peanuts for oil at a price which the growers can afford to produce them and realize a small profit.

Rotary Club Donates \$13 For Red Cross Kits

Mrs. J. N. Pruden, chairman of the Chowan County Chapter of the Red Cross, acknowledges receipt of another check for \$13 to be used in equipping Red Cross kit bags for men in service going abroad. The check was sent by the Edenton Rotary Club.

Though the county was asked to raise \$400 for this purpose, Mrs. Pruden reports that a generous response has resulted and that about \$600 has been contributed for the purpose in Chowan County.

The kits are being made by the home economics classes at Chowan and Edenton High Schools, as well as by members of the demonstration clubs throughout the county. Collections are used for furnishing a number of items which will be appreciated by the boys as they leave.

How Are They On Birds?

Kind Old Gentleman—What do you call these two kittens, Johnny?

Small Boy—I call 'em Tom and Harry.

Why don't you name them Cook and Peary after the great explorers? Aw, gwan, Mister, these ain't polecats.

Red Cross Workers Give 513 Hours To Surgical Dressings

Mrs. Coffield Awaiting New Order Since November 18

Despite the fact that Chowan County has not been asked to make any surgical dressings since November 18, Red Cross workers from November 1 to 18 contributed 513 1/2 hours to making these dressings, according to the report of Mrs. W. H. Coffield, surgical dressings chairman. Though some material is on hand, Mrs. Coffield is now awaiting orders for a new quota of dressings.

The report of hours devoted to making these dressings follows:

Bette Davis Superb In "Now, Voyager"

In her latest picture, "Now Voyager," at the Taylor Theatre today (Thursday) and Friday, Bette Davis has a new glorious role that surpasses anything she has done before. She plays the part of a neurotic daughter of a strict New England mother, whose only escape from her sordid world is a frustrated-love affair. In the male lead is suave, handsome Paul Henreid.
