## H. W. Thomas Dies In Wilson County

Veteran Newspaperman Victim of Heart Attack

## WELL KNOWN

Former President Wilson

years lived in Edenton during which time he wrote for a group of newspapers, died Sunday morning in the Wilson County Hospital, to which institution he went when leaving Edenton a little over a year ago. Mr. Thomas succumbed to a sudden heart attack similar to a number he experienced while living at Hotel Joseph Hewes before entering the hospital.

Mr. Thomas was a newspaper man of many years' experience, beginning as a country correspondent in southern New Jersey for New York and New Jersey newspapers. He was at Cotton Crop Insurance one time editor of an Atlantic City newspaper, being hired by the boardwalk hotel men primarily to fight unfair taxation and created no little attention while editing the paper. He was also at one time postmaster of Atlantic City, being appointed by President Wilson, who was a very close friend. The first World War President later offered Mr. Thomas a diplomatic post in Belgium, which he refused.

Mr. Thomas had traveled extensively and was a very well read man, being able to converse intelligently upon almost any subject which might arise. He had a nose for news and while in Edenton he was responsible for more Edenton date lines appearing in various periodicals than any previous newspaper person.

He at one time held a responsible position with the Prudential Insur- offices where applications may be ance Company, being supervisor of publications. He handled large sums of money for the insurance company, and his advertising programs attracted nation-wide attention. He also directed Red Cross drives in New Jersey during the last war.

Mr. Thomas was the author of at least two books, "The Signers of the Declaration of Independence" and The Lives of the Presidents."

Mr. Thomas came to Edenton as correspondent for the News and Ob- either 50 or 75 percent of their norserver and his stories were accepted by a group of other newspapers, both causes as floods, drouth, hail, windin this and other states. He came to storm, insect damage, and fire. The North Carolina primarily to get his program this year also covers losses son started as a newspaper corre-

Hospital Sunday celebrated their 50th wedding anni-versary on recruary first, at their country home at Smell Cross Poster country home at Small Cross Roads. Their children gave a dinner party in their honor at 7 o'clock Monday evening.

The children are: Mrs. George Asbell of Sunbury, Mrs. Lena Asbell, Mrs. Edna Asbell, Mrs. Lindsay Evans, Mrs. Melton Bateman, B. M. Hollowell, Jr., Tommy Hollowell and Bertram Hollowell all of Chowan County, Miss Orene Hollowell of Very Close Friend of Reidsville, and Weldon Hollowell, U. S. A., now in camp in Alabama.

Those present for the dinner were: Mr. and Mrs. George Asbell and children of Sunbury, Mrs. Lena Asbell Harvey W. Thomas, who for several and children, Mrs. Edna Asbell and children, Mr. and Mrs. Lindsay Evans and sons, Mr. and Mrs. Melton Bateman and daughter, Mr. and Mrs. Tommy Hollowell and children, B. M. Hollowell, Jr., and children, Mr. and Mrs. Bertram Hollowell and son, Mrs. Rosa Ward, Mrs. Luke Hollowell and son of Portsmouth, Va., Mr. and Mrs. A. M. Forehand, Rev. and Mrs. J. T. Byrum, Mr. and Mrs. R. H. Hollowell, Mr. and Mrs. E. N. Elliott and George E. Goodwin. Mr. and

Mrs. Hollowell have 21 grandchildren and one great grandchild.

## **Program Is Completed**

Plans for offering 1943 crop insurance to every cotton producer in North Carolina have been completed and will be in operation in every cotton producing county of the State within a few days, according to Tom M. Cornwell, Cleveland County farmer and a member of the State AAA Committee.

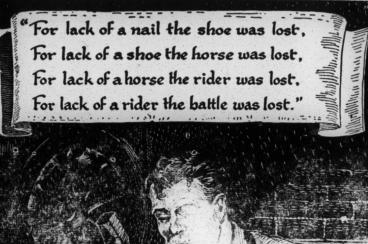

The 1943 insurance program was explained to field officers of the AAA and others by officials of the Federal Crop Insurance Corporation at a meeting held at the State AAA Office at Raleigh.

Yields which may be insured and premium rates have already been compiled and now are in county AAA

made until April 1. "This insurance is not designed to make money for either the farmer or the Crop Insurance Corporation," Cornwell said. "It is offered as a

part of the national farm program to protect the farmer against partial or total loss of income in years when he has a crop failure due to any cause beyond his control.'

Under the program, cotton producers have the option of insuring mal yields against losses from such labor, machinery, and materials dur-

# FOR MOTORISTS

- as broadcast this week on the Kaltenborn program

### Announcer: -

"Are you one of those people who think that because you're driving less you can get along with less frequent lubrication? Then listen to this sound advice from Pure Oil lubrication engineers. Your car needs lubrication, for safety, at least every sixty days-even if you have only driven six to eight hundred miles during that period. Greases are designed for action. If they don't get the action they were built for, they are apt to break down even during a fairly short interval-and you don't get the lubrication protection your car should have. So make it a point to see your Pure Oil dealer regularly for Pure Sure Lubrication. His expert services will help you make your car operate with maximum efficiency and economy -and get every mile you're entitled to from your gasoline allotment."
