## Contributions In Chowan's War Fund Drive Far Above Its Quota; \$5,553 To Date

Still Few Canvassers Who Have Not Submitted Reports

### NAMES NEXT WEEK

Chairman W. J. Berryman Makes Statement Of Appreciation

Due to receipt of late advertising, space this week will not permit acknowledgement of Red Cross War Fund contributions. This material is in type, but will necessarily have to wait until next week's issue.

With \$4,103.40 actually turned over to him last week, M. F. Bond, treasurer of the Red Cross War Fund drive, since that time has received \$1,449.84 to send Chowan County's contribution to \$5,553.24, thus far over-subscribing the quota of \$4,200. Even then, the report is still incomplete, so that the amount has already passed the \$5,500 mark hoped for.

There are still some contributions which have not been turned over to Mr. Bond, and he is very anxious to receive these lists as early as possible in order to complete the drive. Mr. Bond has also been very careful to compile accurate lists of money turned over to him and the names of contributors, but it is altogether possible that a name or so could have been inadvertently omitted before so many names were put into type. The Herald will be glad to make any corrections as to contributors or the amounts.

W. J. Berryman, chairman of the drive, who even before the drive was started, set \$5,000 as a goal for the county, is very well pleased with the result and this week made the fol-

## CHARGES SQUASHED AGAINST CHIEF OF POLICE G. A. HELMS FOR SELLING FIREARMS

No pros introduced by Prosecutor J. N. Pruden which also eliminated charge against Guy Hobbs for purchasing revolver

Charges against Chief of Police G. A. Helms for illegally selling a revolver to Guy Hobbs were squashed in Recorder's Court Tuesday morning when the State took a no pros. In his request for this action Prosecutor J. N. Pruden quoted section 5106 of the State law which has to do with the illegality of selling or buying firearms without first securing a permit from the clerk of court, but found in a subsequent section these words: "Provided nothing in this article shall apply to officers authorized by law to carry firearms."

Mr. Helms is chief of police and Mr. Hobbs is a member of the auxiliary police force in connection with the county civilian defense council; his revolver being purchased shortly after his appointment.

The charge against Helms, followed an investigation of the Grand Jury after a defendant, Peter de Jesus, testified in a charge of shooting Edward Boyce that he purchased the revolver from Helms. The Grand Jury questioned several witnesses,

### Close To Top

Though Edenton High School's negative debating team did not win the Aycock Cup last week in Chapel Hill, the two debaters, Jeanne Smith and Lillian Davis, can be classed among the four best teams in the State. The two Edenton girls continued in the contest until the semi-finals, where they were eliminated by the Apex debaters.

Apex lost the decision in the final round to Forest City.
