

Ministers Discuss Revival Meetings

Union Vacation Bible School Also Being Considered

The Chowan-Perquimans Ministerial Association held its regular monthly meeting Monday morning at 11 o'clock at the new Presbyterian Church building at Edenton.

The question of a union vacation Bible school for Edenton was discussed. A meeting was called for next Sunday afternoon at 3:30 o'clock at the Methodist Church at Edenton for Sunday School teachers and others interested in vacation Bible school work to attend and make plans for a

vacation school.

A committee with the Rev. D. C. Crawford, Jr., as chairman and the Rev. David B. Lawrence, the Rev. H. Free Surratt and the Rev. J. T. Byrum were chosen to work on the question of union evangelistic services for Edenton and report at the Association meeting in May.

Chaplain Slavin from the Edenton Naval Air Station was present to express his appreciation to the association for their work as auxiliary chaplains at the base. Chaplain Slavin is leaving Edenton at the end of this month to the regret of the members of the association. The chaplain expects to have the members of the Association as luncheon guests at the base on May 27th.

Seven members of the Association attended the meeting.

The next meeting was tentatively set for June 10 at the Methodist Church at Hertford at 11 A. M.

That Nagging Backache

May Warn of Disordered Kidney Action

Modern life with its hurry and worry, irregular habits, improper eating and drinking—its risk of exposure and infection—throws heavy strain on the work of the kidneys. They are apt to become over-taxed and fail to filter excess acid and other impurities from the life-giving blood.

You may suffer nagging backache, headache, dizziness, getting up nights, leg pains, swelling—feel constantly tired, nervous, all worn out. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.

Try **Doan's Pills**. Doan's help the kidneys to pass off harmful excess body waste. They have had more than half a century of public approval. Are recommended by grateful users everywhere. Ask your neighbor!
