

# VOTE FOR ROBERT LEE HUMBER CANDIDATE FOR CONGRESS

## The Time Is Ripe For A Change!

Mr. Bonner visited Chowan, (and the same applies to all counties where the MONEY CROP IS PEANUTS) and made a tremendous effort to IMPRESS THE FARMERS OF THE COUNTY with claims of what he has done for the PEANUT FARMERS—WHAT HAS HE DONE? HE HAS DONE NOTHING!

He goes to Martin County, (and the same applies to all counties where the MONEY CROP IS TOBACCO) and claims he has done great things for the TOBACCO FARMER—WHAT HAS HE DONE? HE HAS DONE NOTHING! What has he done TO PREVENT OR HELP SETTLE STRIKES all over the Nation, which are paralyzing production, retarding recovery and depriving our people of the NECESSITIES OF LIFE? HE HAS DONE NOTHING! He claims he is a SPECIAL FRIEND OF THE VETERANS and

yet FAILED TO VOTE FOR THE VETERANS HOUSING BILL, a Bill designed to provide a home for the Veterans of World War II. HAS HE TOLD YOU WHY HE DID NOT VOTE FOR THE BILL AND THEREBY AID THE VETERANS? HE HAS NOT! He did not vote for important LABOR BILLS and other VITAL MEASURES affecting our State and National Economy! HAS HE TOLD YOU WHY!

HE DODGED THESE IMPORTANT ISSUES! By using such campaign methods he must be of the opinion he can FOOL the voters of the District by claims that he is DEEPLY INTERESTED IN THEIR SPECIAL PROBLEMS, whereas, the truth is, he is in a heated campaign for renomination, in which his political future is at stake and is using political methods in an effort to IMPRESS

the voters, secure their votes and continue in office.

Mr. Bonner has never recognized the farmer or average voter except during political campaigns WHEN HE IS FISHING FOR VOTES and it is only during such times he makes the claim he has deeply interested himself in your problems and has done so much for the citizenship of the District. HE HAS DONE NOTHING!

The urgent need in these trying and stressful times is NEW BLOOD IN CONGRESS and ROBERT LEE HUMBER is the man who will infuse new blood in the Halls of Congress and AID IN ACHIEVING REAL AND BENEFICIAL RESULTS FOR THE VOTERS OF THE DISTRICT.
