

## Baseball Officials Release Schedule Through July 14th

### Edenton's Lights Now Expected To Be Ready In Short Time

have arranged a schedule for two weeks, through July 14. In view of the possibility that Edenton may have lights at an early date, it was deemed advisable to draw up the schedule only two weeks in advance, for if the local lights should be ready for use, it will mean that other clubs desiring Wednesday afternoon games and other desirable dates would receive more consideration due to scheduling night games in Edenton.

According to the schedule, the Edenton team will play a double-header on the Fourth of July, a game being scheduled on Hicks Field Thursday afternoon at 3 o'clock with Hertford and a return game played in Hertford Thursday night at 8 o'clock. There will be split gate receipts at all league games on the Fourth of July, which calls for double-headers for all teams.

### TELEPHONE SERVICE

A SHORT WAIT FOR TELEPHONES

Yes, there's still a wait for telephone service. We are still short of necessary equipment. And, in addition, there is still a shortage of trained men to install what equipment we do have.

However, we are taking care of our waiting list in reasonably quick order. If you would like a telephone but are not yet on our waiting list, apply today. You will not have too long to wait.
