

Larger Cotton Crop For State Forecast

Production In North Carolina Estimated at 485,000 Bales

Production of cotton in North Carolina for 1946 is estimated at 485,000 bales, according to the first official estimate of the Federal-State Crop Reporting Service.

This represents an increase of 13 per cent over last year's short crop, but is 21 per cent under the 10-year (1935-44) average production. The acreage planted this year is 34 per cent less than the 10-year average.

Based on present conditions, it is expected that 406 pounds of lint cotton per acre will be produced this season. This is 37 pounds more than was realized in 1945 and 65 pounds above the 10-year average yield. The acreage planted this year is placed at 580,000, or three per cent more than last year.

If abandonment follows the average for the past 10 years, about 573,000 acres should be harvested, said the estimate.

The condition of cotton is running around 76 per cent of a full crop compared to 75 per cent last year at this time. Boll weevils are doing considerable damage this season, with heavy infestations being reported in some areas of the State.

BLANCHARD-BRYON

The marriage of Miss Helen Bryon, daughter of Will R. Bryon of Pratt, Kansas, to Albert Roy Blanchard, son of Mr. and Mrs. Leslie Blanchard of Edenton took place Saturday afternoon August 3rd at 4 o'clock, the double ring ceremony being performed by the Rev. W. C. Francis.

The bride wore a white suit with white accessories with a corsage of red roses. Mrs. Jessie Copeland of Portsmouth, Va., aunt of the groom, was matron of honor, and wore a dress of mellow rose with black accessories and a corsage of white carnations. Roy Boyce, uncle of the groom, was best man. The mother of the bridegroom wore a black dress with black accessories and a corsage of yellow roses. The young couple left immediately on their honeymoon for Virginia Beach.

Williamston After Chowan Tobacco

Carolina and Farmers Warehouses Ready For Crop

With the Williamston tobacco market scheduled to open next Monday, the Carolina and Farmers Warehouses invite Chowan tobacco farmers to sell their tobacco with them. The concern boasts two large well lighted warehouses, and with sales managers with long experience in judging tobacco and conducting sales, they promise to make every effort to secure the highest prices for tobacco placed with them for sale.

The proprietors are S. Claud Griffin, H. Leman Barnhill, Elmo Lilley and Jimmy Taylor. Francis Hicks of Edenton is the auctioneer.

BAKERS BACK IN EDENTON

Mr. and Mrs. W. E. Baker have returned to Edenton and are now making their home in one of the houses at the U. S. Fish Hatchery, where Mr. Baker was formerly employed. He was later stationed at hatcheries at Hoffman, N. C., Cheraw and Orangeburg, S. C. Mr. Baker recently was the victim of a stroke, but is able to get around by the use of a cane.

It Seemed A Good Idea

On the first day in her new home the young bride was efficiency personified.

"Jane," she called to the parlor maid, "the casters on these chairs squeak horribly. Oil them right away."

"Sorry, miss," replied Jane, "but we haven't any oil."

"Then take this quarter," was the instant rejoinder, "and buy a quart of castor oil."

Avoid that breakdown far from home...

Prevent those frantic wires!

Just start with **ESSO** Dealer care, and tough, new **ATLAS** Tires!

DON'T LET A HAPPY TRIP BE MARRED by "bad luck" that needn't happen! Let your ESSO Dealer check your car now—oil, chassis lubrication, battery. And be sure he checks your tires. Then replace doubtful ones with quality ATLAS Tires. See how wide and deep the Atlas tread is! Read the remarkable written warranty covering every ATLAS Tire. Then, on the road, watch for the ESSO sign. Make it your regular stopping place. Remember that "Happy Motoring" starts at the ESSO sign.

NOTE: If your dealer does not have the size ATLAS Tire you need, place your order now for future delivery.
