## Boy Scouts' Day At Lost Colony Showing Thursday, August 22

### Plans Made to Entertain Boys of Tidewater Council

Boy Scout Day at the Waterside Theatre, where "The Lost Colony" is being presented in its sixth season, will be observed on Thursday, August 22.

Some 500 to 600 Boy Scouts of the Tidewater Council will be taken there by special buses for that night's performance of "The Lost Colony". Arriving in the afternoon, they will tour points of interest in Dare County, go for a swim at the beaches, and visit the Fort Raleigh area where the Waterside Theatre is situated.

Dan Cannady of Manteo is in charge of local arrangements. Travis Thompson, Scout executive for the East and West Albemarle Districts, will accompany the group.

The parents of many of the Scouts are expected to be present.

The Tidewater Council includes the counties of Norfolk and Princess Anne in Virginia; Dare, Camden, Currituck and Pasquotank counties in the Eastern District; and Perquimans, Chowan and Gates counties in the Western District.

"The Lost Colony", which tells the story of Sir Walter Raleigh's attempts to colonize the New World in the Sixteenth Century, is being presented at 8:15 (EST) except Monday and Tuesday. The season will end on Labor Day.

## Farm Prices Reach New High In State Leaves For Short

### Income Rise With Index of Production Costs

Although the index of production costs rose to a new high figure, North Carolina farmers also received "record breaking" prices last month for most of their varied output with the exception of peaches and commercial apples, according to the Federal State Crop Reporting Service of the N. C. Agriculture Department.

All grains showed increases over the mid-June prices and were at their highest level since 1920. Corn at \$1.98 per bushel had advanced 25 cents; wheat at \$2.25 per bushel was up 18 cents. Rye rose another 19 cents a bushel and averaged \$2.14. Oats averaged \$1.08 and were up six cents a bushel from the previous month and barley climbed 23 cents per bushel to advance to \$1.70.

Prices for all livestock advanced, with those for beef and sheep only moderate but veal calves and lambs were the highest on record. Hogs averaged \$16.80 per hundredweight and were up \$2.60 from last month. Beef cattle averaged \$14.90 per hundredweight, showing an increase of \$2.30, while veal calves were up to \$17.10, an advance of \$2.70. Sheep advanced 60 cents a hundred and lambs \$1.90, and they averaged \$9.00 and \$15.00 respectively.

Prices received by farmers for both milk and milk products were higher than those received in mid-June. Wholesale milk advanced 55 cents per hundredweight and averaged \$4.70 per hundred. Retail milk per quart advanced 1.5 cents and averaged 17.5 cents per quart. Butter advanced eight cents over the preceding month and averaged 53 cents

a pound, while butterfat averaged 58 cents, showing an increase of 12 cents per pound.

## White Arrests Lead Colored During July

According to Chief of Police George I. Dail, 76 arrests were made in Edenton during July, of which 75 were found guilty. Those arrested included 60 white men, three white women and 13 colored men.

Speeding topped the arrests with 31, followed with 19 for being drunk, 14 for parking and traffic violations, four for assault, three for driving drunk, two each for affrays and liquor violations and one for disorderly conduct.

Fines amounted to \$560 and costs \$858.30, or a total of \$1,418.30, of which \$190.60 was turned over to the Town as officers' fees.

During the month 42 calls were answered, 26 street lights reported out, 10 courtesies shown, 40 warnings given, 517 radio calls made in which the police were on the air 90 minutes, and two auto accidents investigated.

**PURINA FLY SPRAY**  
it contains **5% DDT**

When you say "Purina Fly Spray, please" you get a spray that is stainless, pleasant smelling and—what's most important—one built for two-way use. As a space spray, it's deadly to flies and most other insects "on the wing." As a second use, simply paint or spray Purina Fly Spray on surfaces where flies or insects light. The death action of the deposited DDT crystals remains effective, not just for an hour or two, but for weeks—continually ridding your home of insect pests. Remember to say, "Purina Fly Spray, please."

## Ruritan Club Formed In Upper End County

### Medlin Belch President Of New Organization; 35 Members

Farmers and rural business men principally of Cross Roads, Center Hill and Ryland communities have organized a Chowan Ruritan Club, with about 35 members enrolled, and getting off to a good start. Medlin Belch, farmer of the Center Hill community, is president, and T. J. Jessup, principal of Chowan High School, is secretary of the new club.

Regular meetings are held on the first Tuesday evening of each month, and the aims and objects committee will be appointed at the September meeting.

Community improvement is the main object of the organization and several members have project proposals to offer as soon as the organization is perfected.

**Sentinels of Health**

Don't Neglect Them!

Nature designed the kidneys to do a marvelous job. Their task is to keep the flowing blood stream free of an excess of toxic impurities. The act of living—life itself—is constantly producing waste matter the kidneys must remove from the blood if good health is to endure.

When the kidneys fail to function as Nature intended, there is retention of waste that may cause body-wide distress. One may suffer nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—feel tired, nervous, all worn out.

Frequent, scanty or burning passages are sometimes further evidence of kidney or bladder disturbance.

The recognized and proper treatment is a diuretic medicine to help the kidneys get rid of excess poisonous body waste. Use **Doan's Pills**. They have had more than forty years of public approval. Are endorsed the country over. Insist on Doan's. Sold at all drug stores.
