

## Berryman Family In Annual Reunion

### Large Group Gathers at Home of T. W. Berryman For Occasion

The Berryman family reunion was held at the home of T. W. Berryman last week and was very much enjoyed by all who attended.

**Don't you ever  
get tired of this?**

SOMETIMES it seems like walking a tight rope— trying to have a reasonable amount of fun out of life and still put by a little for a rainy day.

If you're tired of this constant Balancing Act... tired of the effort and worry that goes with it, take a breather for a minute and listen to this:

The best way to eliminate all your cares and anxieties about money is to save.

The best way to save painlessly is through your Payroll Savings Plan.

There's no safer, wiser, easier way to build that backlog of security which makes life really worth living—and—just as your War Bonds did—the Savings Bonds you get through Payroll Savings pay you handsomely: \$4 for every \$3 in ten short years.

When your country asked for your money you bought War Bonds and plenty of them. When you ask yourself where your money goes—be able to answer, "Into the best investment in the world—U. S. Savings Bonds!"
