The chairman of Community Concerts Committee, Mrs. Earl Goodwin, expressed great satisfaction at the cooperation in the recent campaign which netted such remarkable results, Edenton having gone over the top in their first venture of this kind.

Quite a number of the members agreed to attend the district convention of Women's Clubs to be held in Ahoskie on October 12.

The remainder of the meeting was devoted to the discussion of a playground for small children, which the club hopes to sponsor as its major project for the year. Mrs. Rupert Goodwin, chairman of the Recreational Committee, was in charge and suggested a desirable site, investigation of which is now under way.

### When Your Back Hurts-

And Your Strength and Energy Is Below Par

It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.

You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won country-wide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.
