

Walter Holton Is Elected President New Deacon Club

Alumni of Wake Forest College Gather at Hotel Joseph Hewes

Organization of a Wake Forest Deacon Club of the Albemarle section was completed at a meeting of Wake Forest College alumni held at Hotel Joseph Hewes Thursday night. Thirty-two alumni and friends of the college were present, when officers were elected, committees appointed and pictures shown of the Wake Forest-Boston College football game.

Officers were elected for a six month tenure and those named to run the club until the spring meeting are: Walter Holton, (Edenton)

President; Jim Bonds (Windsor), Vice-President; Herbert Jenkins, Jr., (Aulander), Secretary-Treasurer; and Dave Holton, (Edenton), Membership Chairman.

The main purpose and objective of the club was set forth as follows: To afford a medium whereby the alumni and interested friends of Wake Forest College may foster and promote good sportsmanship in athletics at the College, give collective and unified support to all plans and programs designed to maintain the highest standards in athletics at the College, be of material assistance in promoting and maintaining such high standards by providing financial support to the Department of Athletics, and generally, sponsor a broader and better program of athletics at the college.

Membership chairmen for the various communities were also named as follows: Aulander, Harold Early; Hertford, F. T. Johnson; Ahoskie, Bill Charles, Bill Miller and Carlton Cherry; Colerain, Joe Jenkins; Merry Hill, Lloyd Finch; Woodland, Raymond Benthall; Elizabeth City, Joe McCracken; Williamston, George

Harrison, Jr.; Windsor, the Rev. R. L. Councilman, Jim Bonds, Carter Bell, L. W. Powell, Harry Stubbs; Beaufort, Dr. William Kinsey, James Wagner.

Jim Weaver, personable Athletic Director at the college, was the principal speaker, delving on the transfer of the school to Winston-Salem, pointed out that the offer made the college to move to Winston-Salem was one that the school could hardly afford to turn down. He also outlined, briefly, the general athletic situation at the school.

Miss Mildred Ward Leaves For Europe

Among 125 Red Cross Workers Sent to Occupied Zones

Miss Mildred Ward, daughter of Mr. and Mrs. J. H. Ward, who during the war served in both the European and Pacific theaters, was among 125 American Red Cross workers who sailed from New York recently for assignment in U. S. occupied zones in Europe.

The contingent, bound for Bremerhaven, Germany, was the largest sent abroad by the Red Cross since the end of the war. Its members will join the 3,500 workers already conducting programs wherever American troops are stationed throughout the world.

Miss Ward, who will serve as a secretary, served for ten months as an American Red Cross hospital secretary in Italy and for five months as a hospital and camp secretary on Guam in the Pacific.

At the request of the Army, and under the terms of a recent agreement, the Red Cross is continuing in peace-time the recreational program it conducted during the war, and has allocated \$25,900,000 for the

service this year.

Before joining the Red Cross, Miss Ward was secretary to the late W. D. Pruden and later served in a secretarial capacity with the Navy Department. She is a graduate of Edenton High School. She attended the University of North Carolina and was graduated from King's Business College in Raleigh.

AGED RECLUSE LEAVES FORTUNE TO DOG

A dog's life that most of us would like to lead

EVERY so often, some slightly "pixilated" old spinster leaves a lifetime income and a twenty-room house to her favorite Pekinese. Whenever you hear of it happening, don't you wish someone would do the same for you? Well, someone can. You. And you won't have to wait a lifetime for the money either! Here's all you have to do: Keep on saving through your Payroll Savings Plan! Keep salting away a regular amount every payday into U. S. Bonds—just as you and most other wise people are now doing. Remember, under the Payroll Savings Plan, in ten years' time, you get back \$4 for every \$3 you put away. For example, if you save as little as \$7.50 every week, you get back \$4329.02! And with \$4329.02 in your pocket, you won't have to envy any rich old spinster's Pekinese. Suggestion: This month, why not take an extra step forward to that "easy-cushion" future? Buy an extra Bond—at your local bank, post office, or at your place of business.
