

Edenton Aces Upset Franklin, Va., 26 To 0

Local Team Turns In Best Performance Of Season

Playing the brand of football that was expected of them all season, the Edenton Aces registered an upset Friday night when they trounced a highly favored Franklin High School team 26-0. The local boys played their best game in every respect, and by the victory evened up the count of three victories and three losses for the season. Aside from Franklin, the Aces have defeated Manteo and Windsor, while they dropped games to Greenville, Columbia and Hertford.

Dick Hollowell turned in his best performance of the season and thrilled the comparatively small crowd of

fans on hand when on the first play of the game he raced 72 yards for a touchdown. Franklin kicked to open the game and Cates who received the ball slipped it to Hollowell, who, running in the opposite direction, out-ran the Franklin boys and with several would-be tacklers taken out with perfect interference, crossed the pay dirt stripe untouched. Shortly afterward Edenton marched 63 yards and on a pass from Cates to Wheeler, the latter scored the second touchdown.

Early in the fourth quarter Davenport recovered a Franklin fumble, and on three plays the third touchdown was scored on a pass from Cates to Wheeler. Again in this quarter Dick Hollowell thrilled the crowd when he intercepted a pass, tore loose from several Franklin players and ran 71 yards for the final score of the game.

Hollowell was easily the outstanding star of the game, though Jack Habit and Jimmy Cates also played a bang-up game in the backfield. The entire Edenton line turned in a splendid performance, yielding very little ground and at one time held the visitors for four downs on the four-yard line. For the visitors Ernie Hensen was best on offense, while Bill Pierce and Wilson Jones were best on defense.
