### Two Edenton Boys On Atlantic Christian College Football Team

Two Edenton boys are members of the Atlantic Christian College football squad this season. These two members, Frank White and Jobey Griffin, are former Edenton High School stars.

White has stood out in the line for Coach M. J. Bird's Bulldogs in each of the club's contests this season. White played for Edenton High School in 1942-43 and 44. He was captain of the Aces his final two years. Although White was a guard in High School, he has been holding down the center position at ACC. A big boy weighing 190 pounds, White is expected to do a lot of catching on the baseball squad next spring. He is a freshman at the Wilson school and is the son of Mr. and Mrs. Frank White of Edenton.

Griffin has been the hard luck member of the ACC squad. He has been out of the line-up all season long with an injured knee sustained in practice sessions prior to the opening of the season. Griffin is a baseball pitcher and was a member of the Edenton club which captured the championship of the Albemarle League last summer. Griffin played end on the Edenton High grid teams of 1942 and 43 seasons. He also hurled for the Aces in baseball. He is the son of Mr. and Mrs. Wheeler Griffin of Edenton.

J. D. Thorne, who is well known in Edenton as a result of having pitched for the Albemarle League champs last summer, is the ACC trainer. Thorne played football in high school but has shied away from the gridiron this season upon the advice of several big league scouts who have showed an interest in the Elm City boy. He expects to be a member of the basketball and baseball teams, however.
