

Inglis Fletcher Main Speaker At Meeting Junior Woman's Club

Novelist Urges Protection of Town's Interest and Beauty

Members of the Junior Woman's Club were delightfully entertained at their meeting Wednesday of last week when Chowan County's distinguished novelist, Inglis Fletcher, gave a very interesting talk about Edenton.

Mrs. Fletcher stressed the need of an organization to protect the interests and beauty of the town, which is so abundantly rich in these things. She mentioned the fact that in New Bern two women were responsible for the restoration of its historical buildings. The same applies, she said, to the historical sites in Virginia in that women were the instigators of these movements. Mrs. Fletcher praised the splendid work done in the Court House, which is the finest example of Georgian architecture.

Mrs. Fletcher told of her proposed trip to Raleigh to attend a meeting of the Society of Preservation of Antiquities, which has asked Edenton to be represented. She was pleased that a delegation from here will attend this meeting at which such noted persons as ex-Governor Ehringhaus and the Hon. Josephus Daniels will make addresses.

Mrs. Fletcher gave a resume of the

colorful history of the Joseph Hewes Hotel.

The most interesting part of Mrs. Fletcher's talk was concerning the characters of her novels. Having been asked so frequently about the origin of these, she says she sometimes stumbles onto them and then again she digs them up on her tours to the various historical places in the State, and when needed she creates them. In referring to her latest book, "The Toil of the Brave", she told of many exciting experiences in her reconstruction of the lives of its characters.

Mrs. Fletcher was introduced by the program chairman, Mrs. C. B. Mooney.

Edenton Aces Down Hertford Indians 18-7

Continued From Page One
Hollowell raced across the touchdown stripe but was called back, having stepped outside the sidelines. Jack Habit then uncorked a thrilling 30-yard jaunt and Hollowell and Bobby Byrum lugged the ball to the 15-yard line, where Hertford intercepted a pass. With the Indians in possession of the ball on the Edenton 18-yard line, they were penalized five yards for taking too much time. Unable to make any appreciable headway, the Indians kicked, Hollowell returning the ball to the Hertford 25-yard line. The Aces were penalized five yards for off-sides. After Ward picked up three yards and Habit lost three, a pass was attempted and was intercepted by the Indians. A fumble occurred on the play and Pete Manning recovered the ball. He scrambled over the goal line but the ball was called back and placed on the 5-yard line, from where Jack Habit in two plays ploughed through the line for

the first score of the game near the end of the half. Try for extra point failed, so the score was 6-0 in favor of the Aces. Edenton kicked and with Hertford in possession of the ball on their own 38-yard line, two passes failed as the half ended.

The Aces kicked to start the second half and the Indians kicked after three bucks at the Edenton line. Hollowell in a good run brought the ball back to his own 35-yard line. Jack Habit was thrown for a loss and Hollowell picked up 7 yards. The Indians got possession of the ball on the Edenton 33 when a punt was partially blocked. The ball was given back to the Aces after the Indians failed in two passing attempts. Jack Habit lacked only one foot of making a first down and then a fumble occurred, with Hertford recovering on the Edenton 40. Jack Habit threw Nowell for a loss and then Symons reached the 28-yard line for a first down. He then picked up five yards, from where Referee Little Bud Cayton penalized the Aces 15 yards for unnecessary roughness, putting the ball on the Aces' 12-yard line and first down. Symons then broke through the Edenton line to score and on the same kind of a play added the extra point, making the score 7-6 in favor of the Indians.

Hertford kicked, Ward returning the ball to his own 35. Hollowell gained 5 and Habit 2, and then Sammy Ross went through the line for a first down. With the ball on the 45-yard line Ward picked up two yards and Wheeler five on an end-around play as the quarter ended.

On the short end of the score, the Aces took on a new fighting spirit in the final quarter to score two more touchdowns. A pass to Wheeler was good for 30 yards to start the fourth period. With the ball on the Hertford 21-yard line, Habit picked up 11 yards for a first down. With the ball at the 11-yard line, the Aces were again penalized five yards. On the next play Hollowell again broke loose and was brought down on the three-yard line. His foot was hurt on the play and he was taken from the game. Habit crashed to the one-foot line, which made a first down, and on the next play Bobby Byrum bucked through the line for the second touchdown. The try for extra point failed.

The Aces kicked, and with the Indians in possession of the ball on their 33, Jack Habit broke through and threw Symons for a big loss. The Indians kicked and it was Edenton's ball on their own 35. Habit bulled his way for a first down. Byrum picked up five yards and Habit then went for a first down. On the next play Habit chalked up 15 yards but the play was called back for an Edenton off-sides penalty. A pass to Wheeler netted 8 yards and Habit lacked only two inches of a first down. He went over for the down on the next play, and then picked up six more yards. The Aces fumbled but recovered. Threatening to score, the ball went over to Hertford when a pass failed. With the ball on the Hertford 15, Nowell gained 7 and Symons made it a first down. Hertford was penalized for back field in motion. A pass failed and on the next pass attempt Dick Hollowell intercepted it and raced 35 yards for the third counter. The extra point again failed to materialize.

Edenton kicked and with the Aces leading 18-7, Coach Tex Lindsay sent in practically an entire team of reserves and Billy Altman intercepted a Hertford pass as the game ended.

Edenton registered 10 first downs while the Indians made 6. Both teams played a hard game, and the contest was one of the best played, as well as most thrilling, of any played thus far this season.

Adding color to the game was the Perquimans High School Band, which played before the game and put on a creditable performance during half time.
