

## No Home Canning Sugar For This Year

### Supply For Country In 1947 Still Doubtful Says Executive

There will be no special home canning sugar stamps this year and use of sugar from the new 10-pound stamps to be validated effective April 1 will not be so planned as to fill all needs, A. D. Simpson, Jr., OPA regional sugar executive, says.

"Changing the value of ration stamps from five pounds to 10 pounds does not mean that consumers will get twice as much sugar," he declared. "It simply means that in order to make our present supply of ration stamps last longer, the rest of this year's supply will be available 10 pounds at a time instead of five pounds at a time.

"We must emphasize," Simpson continued, "that no one yet knows exactly how much sugar will be available to this country for use in 1947. This will depend on decisions made by the International Food and Economic Council which allocates each country a share out of the total world supply. Department of Agriculture spokesmen have said they expect our 1947 allocation to be a little larger than in 1946. But no one yet knows exactly what it will be."

### Demonstration Club At Center Hill Meets

The Home Demonstration Club of Center Hill met Thursday afternoon at 2:30 o'clock with Mrs. T. E. Chappell. The meeting was called to order by the president, Mrs. J. T. White, and the following program was given: "America"; club collect; part of the 27th Psalm; Lincoln's Rules for Living by Mrs. Roy Lane; Lincoln's Proposal by Miss Lillian Turner; Washington by Mrs. Rufus Smithson.

The roll was then called, minutes read and dues collected. Miss Lillian Turner gave a very interesting talk on gardening. Miss Rebecca Colwell presented 1940 figures on bathroom facilities in Chowan County and gave a very interesting talk on bathrooms, plans and usefulness. During the social period Mrs. Chappell served a delicious and attractive plate featuring the Valentine motif. The club was invited to meet with Mrs. Roy Lane in March.

### Camellia Show At Wilson February 27

Wilson's first annual Camellia Show, to be held at the Wilson Woman's Club on February 27, will be open to the public and all entries in the State, it is announced. Reports indicate that the show may turn into one of the largest in the East. Any person wishing to exhibit their flowers at the show should bring them to the Woman's Club building in Wilson between 9 A. M. and noon on February 27.

Camellias from all over the East are expected to be on display during the show.

### Chestnut Celebrating His 10th Anniversary

Next Saturday, February 22, marks the tenth anniversary in business in Edenton by J. L. Chestnut as Chestnut Cleaners. Mr. Chestnut, in honor of the event, plans to have all of his employees as his guests at a banquet, which will be served at his home Friday night of this week.

### MASSES NEXT SUNDAY AT WINDSOR AND EDENTON

The Most Holy Sacrifice of the Mass will be offered Sunday, February 23, at 8 A. M. in Duke of Windsor Hotel convention room, Windsor, and at 11 A. M. in St. Ann's Catholic Church, Edenton, each including sermon on "The Negro and Indian Missions," Holy Communion, concluding in 45 minutes, followed at once by Sunday School, confessions starting at 15 minutes, ending five minutes before services, stated Father F. J. McCourt, rector, who invites everybody to all services.

Week mornings: Mass, Communion and Rosary. Lenten Fridays: Choir practice 7:30 P. M., Rosary, Way of the Cross and Benediction 8 P. M.

## Peanuts Firm Last Week At 10-11c Lb.

### Farmers Reported to Be Buying Better Seed For 1947 Crop

The market for good farmers' stock peanuts in the Virginia-Carolina section was firm last week at 10-11c per pound, depending on size and other factors. Good farmers' stock offerings were scarce and in some localities supplies were cleaned up. Much of the remainder of the peanuts in the country are reported to be off-grade quality and trashy and are moving at the government's CCC loan-support schedule of prices. Some mills report a demand from growers developing for seed peanuts. Farmers appear to be buying better quality seed than last season, reflecting a desire for improvement in size. This seed demand may further reduce mills light inventories of jumbos, extra large and mediums.

The demand for cleaned and shelled goods was variable, with some scattered buying interest reported from Canada and in some instances a moderate demand for future shipments. The market was slightly stronger for jumbos and firm for other grades.

Sales and quotations f.o.b. shipping point, per lb., were reported as follows: Virginia type, cleaned jumbos 16-16½c, mostly 16¼-16½c; fancy 14-14½c, mostly 14¼-14½c; shelled, extra large 21½-22½c, mostly around 22c; mediums 19-21c, mostly around 20c; No. 1, 15¼-16c, mostly 15½-15¾c; No. 2, 13-13¼c.

But once when love's betrayed, It's sweet life blooms no more! —T. Moore.
