Skilled Hands ARE NEEDED

Furnishing you with telephone service is a job calling for highly specialized workers. In order for us to fulfill our plans for expanded service, we need more maintenance men, linemen, installers and operators. It takes time to obtain and train technicians in these special skills. Our present staff is doing unusually well, but even the most willing workers have a limit to their capacities. As we increase our number of experienced workers, our ability to expand service faster will increase, too.

BEER—The Beverage of Moderation

Let's Take A Look at the Brewers Foundation

Question: What is the chief function of the North Carolina Committee of the Foundation?

Answer: To see to it that beer and ale are retailed under conditions in keeping with the strict demands of public opinion and the high standards of the brewing industry itself.

Question: How are the Committee's aims accomplished?

Answer: Field men visit beer outlets regularly. If undesirable conditions are found, dealers are advised. Most dealers want to cooperate and welcome suggested improvements.

Question: Suppose these suggestions are not carried out?

Answer: The retailer is reported to the licensing authority having jurisdiction, with a request that his license be revoked or suspended.

If you drink beer, please patronize only reputable places.

Friendly Thoughts
Quinn
Funeral Home

To be dependent upon another is human. To need sympathy, understanding, to need another's patient consideration and friendliness is natural. To supply such needs is divine.

We urge a consideration of the cost of furnishings that the expenses of the service may be moderated to suit the family's means.

Waylon Moore Marries Miss Miriam Mumford

Miss Miriam Mumford, daughter of Mr. and Mrs. O. W. Mumford, of Grifton became the bride of Waylon C. Moore, Jr., son of Mr. and Mrs. Waylon C. Moore of Edenton, on Thursday afternoon, September 4th, at 5 o'clock in Saint Peter's Catholic Church in Greenville. The church was beautifully decorated with white gladioli, white asters and lighted candles.

Father Gable officiated, using the double ring ceremony.

During the ceremony the church organist rendered lovely nuptial music.

The bride was given in marriage by her father. She wore a suit of winter white gabardine with matching accessories of black and a shoulder corsage of purple orchids.

Miss Bettie Lou Saeed, maid of honor, wore an afternoon dress of flowered jersey with black accessories.

John Saeed was best man, and Darrell and Mac Lee Mumford, brothers of the bride, were ushers.

The mother of the bride wore black with black accessories. The bridegroom's mother wore grey with black accessories. They both wore corsages of gardenias.

The bride is a graduate of Grifton High School and attended East Carolina Teachers College. Mr. Moore graduated from Edenton High School, served in the Navy three years during the war and later attended East Carolina Teachers College.

Immediately after the wedding the bridal couple left for a wedding trip, after which they will reside in Edenton.

On Wednesday night following the rehearsal, Mr. and Mrs. Darrell Mumford, brother and sister-in-law of the bride, entertained the wedding party, out-of-town guests and a few friends at a cake cutting.

The home was lovely throughout with white asters, white chrysanthemums and lighted tapers.

The bride's table was covered with an old lace cloth, the center piece being an arrangement of all white asters, dahlias and chrysanthemums. The three-tiered wedding cake was topped with a miniature bride and groom, flanked by silver candelabra holding long white tapers.

Mrs. Mumford, mother of the bride, presided over the punch bowl; Mrs. Moore, mother of the bridegroom, cut the cake; Mrs. Darrell Mumford and Miss Nell Mumford assisted in serving.

The greatest and sublimest power is often simple patience.—Horace Bushnell.
