

Achievement Day For Chowan's 4-H Clubs November 15

Program Scheduled to Start In Armory at 1 O'clock

Plans are being completed for annual 4-H Club Achievement Day which will be held at the Edenton Armory on Saturday, November 15. John A. Holmes, superintendent of Edenton schools, will be the guest speaker.

Achievement Day is an affair which is observed annually by the 4-H clubs of the United States. Its purpose is to give recognition to the club members for their diligence and perseverance in completing their project or projects. Present club members who were actively engaged in one or more projects in 1947 are requested to have an exhibit at the armory during Achievement Day.

Prizes will be given to boys for the best corn, peanuts and garden exhibits, and also for the best project record books.

Entries for girls include cooking,

sewing and canning projects, as well as record books.

All Chowan County 4-H Club members and their parents are urged to be present at the armory during Achievement Day. The general public is also invited to attend. Achievement Day furnishes the average person a wonderful opportunity to become acquainted with the 4-H clubs and what they are doing.

All exhibits should be at the Armory not later than 12:30 o'clock noon and judging will start at 1 o'clock. The program will start at 1 o'clock. The armory will be open all morning and exhibits may be left there, but each exhibitor should have his name and address plainly marked on each of his exhibits.

Death Knell Sounded For Carnival Outfits

Merchants' Committee Registers Protest to Commissioners

A preliminary death knell for carnivals showing in Edenton and Chowan County was sounded Monday at the County Commissioners' meeting, when the Commissioners promised to do all in their power to bar such outfits.

H. A. Campen and M. A. Hughes, representing the local Merchants Association, appeared before the Commissioners, setting forth the gambling which goes on at carnivals and a general unwholesome influence on a community, not to mention the large amount of money which is carried away from the town. The question was asked point blank why police do not interfere with open gambling carried on at carnivals, while at the same time an offender will be arrested in Edenton for indulging in gambling in a less degree.

During the discussion, gambling at local baseball games came in for a round of criticism, as well as open betting on football games.

The Commissioners registered their disapproval of carnivals and assured Campen and Hughes that they will go

as far as they legally can to curb future carnivals in the county.

It is understood that a committee from the Merchants Association will also appear at the next meeting of Town Council with a request to prohibit any carnivals showing in Edenton in the future.

STANDARD OIL COMPANY BOOSTS PRICES OF PRODUCTS

Standard Oil Company of New Jersey is posting increases, due to the recent 20 cents per barrel advance in crude oil prices and to higher freight rates, in its prices for gasoline, fuel oil and some other petroleum products effective October 30.

The new prices, representing the first increases by the company in seven months, provide for an increase of three-tenths of a cent per gallon on gasoline, eight-tenths of a cent per gallon on heating oil, kerosene, diesel and other distillate fuels, and 30 cents to 37 cents per barrel on some heavy fuel oils. Aviation gasoline and some specialty naphthas are advanced from 1 cent to 3 cents per gallon.

Hospital Notes

The following patients have been admitted to the Chowan Hospital during the week ending Monday:

White Patients
Mrs. Marvin Voliva and baby girl, Columbia; William T. Swain, Columbia; Mrs. Cora Privott, Edenton; Mrs. Cecil W. Alexander, Edenton; Sim J. Phipps, Edenton; Mrs. James D. Elliott and baby boy, Edenton; Mrs. Lewis J. White, Merry Hill; Mrs. Richard Goodwin, Edenton; Mrs. Suddie Ambrose, Edenton; Henry L. Jones, Harrellsville; Walter M. Wilkins, Edenton.

Colored Patients
Pinky Gillam, Edenton; Nathaniel Wilson, Edenton; Betty Modlin, Hertford.

Eligibility For Social Security Explained

Field Representative In Edenton Every Sec- ond Wednesday

J. E. D'Auteuil, Social Security Field Representative, Norfolk, Va., field office, in announcing his regular itinerant service in this city, said that numerous workers and survivors were losing benefits under the Social Security Act as a result of their not being familiar with the eligibility requirements, and thereby not filing application for benefits promptly. All workers in private commerce and industry have to work in covered employment under the Social Security Act a minimum length of time before they become eligible for benefits. He stated that all workers and their families should become familiar with

IN MEMORIAM
In memory of Charlie Smith, who died November 5, 1946:
Just a year ago today
Our darling daddy passed away.
God took him while he was asleep
To be with him, his soul to keep.
We hope to meet him again some day.
We miss him more than we can say
No one can ever fill his place,
We will never forget his sweet face,
Our Darling Daddy we did so love,
He is resting now in Heaven above.
—By a daughter, Mrs. E. R. Tolley.

these eligibility requirements. Chowan County Commissioners, was authorized at the meeting held Monday.

In commenting on the requirements, Mr. D'Auteuil pointed out that generally a worker to be eligible for benefits when he becomes 65 years old and retires, he must have worked in covered employment approximately half the length of time between January 1, 1937, when the program began, and the calendar quarter in which he becomes 65 years of age. When the worker has been employed in 40 calendar quarters and earned a minimum of \$50.00 in each of these 40 quarters, he is insured for life, even though he does not work any more. Mr. D'Auteuil defined a "quarter of coverage" as a regular three months calendar period in which \$50.00 or more in wages had been paid. He further stated that the same requirements apply to deceased individuals with an additional provision that eligibility is established if services have been performed in covered employment for only six out of the immediately preceding 12 calendar quarters. He also commented on eligibility under the 1946 amendments to the program which made provision for survivors of veterans of World War II. He pointed out that this protection is only for survivors of veterans of World War II. He pointed out that this protection is only for survivors and does not effect the veterans own retirement. Survivors of veterans of World War II become eligible for Social Security benefits if the veteran meets certain service requirements, and the death of the veteran occurred within three years of his discharge.

Mr. D'Auteuil urged that all workers and survivors of deceased individuals take advantage of the facilities of the regular itinerant service in Edenton at the Employment Office, Citizens Bank Building (second Wednesday of each month) to official-

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

ly inform themselves as to their own status. Such inquiries are welcomed and are handled without charge.

JOSEPH BUNCH APPOINTED CHIEF OF POLICE AT AHOSKIE
