Cards of thanks, obituaries, resolutions of respect, etc., will be charged for at regular advertising rates.

THURSDAY, DECEMBER 4, 1947.

THIS WEEK'S BIBLE THOUGHT

ALL ARE BROTHERS: Bear ye one another's burdens, and so fulfill the law of Christ .- Gal. 6:2.

Another Job Well Done

Ladies of the PTA, and particularly the committee headed up by Mrs. John White, deserve the plaudits of the community for the fine spirit shown in carrying on the drive for funds for a band in Edenton. The Junior Woman's Club members also put out a great deal of effort to raise their contribution. While there must be leaders in every effort, yet we cannot overlook the support given by clubs, city and county officials and the individuals who have contributed to boost the red marker on the thermometer up to and over the top.

The biggest obstacle is overcome. The next is careful selection of a good director. However, let's leave this in the competent hands of those who are charged with this duty. We now await in anxious expectation a band of which the entire community may be proud.

Truth Versus Error

The Chowan Herald some months ago raised its voice in warning over the decision in Washington to cut appropriations and eliminate "the radio voice of America", which was beaming out "truth" to counteract the poisons spread by Russia in Europe. It is with some satisfaction that it is learned that officials in Washington, alarmed over the way lies and hatred of America are gaining momentum in Europe, are determined to take prompt action so that "the voice of America" again speaks the unvarnished truth.

We're Proud Of Him

Not only has honor been conferred upon young Wilbur Harrell, who won the title of 4-H peanut champion of North Carolina, but it reflects the fertility of Chowan County soil if proper attention is paid to it.

The writer well remembers how proudly the late D. M. Warren would on many occasions pull from his pocket a small book containing many statistics, and inform various groups that Chowan County produces more per acre and receives more for the crops produced than any county in the State.

Young Harrell is now attending the 4-H Congress being held in Chicago as a reward for his outstanding accomplishment. His parents and county agents are proud of his record in 4-H Club work and other 4-H Club members may well emulate his activities.

Chowan County is honored in that this is the second consecutive year that the 4-H Club State peanut champion was a Chowan boy. Wallace Reid Peele was last year's champion.

With Chowan's future farmers of the calibre of these two youngsters, as well as many other 4-H Club boys and girls, the future appears safe, so that Chowan continue to boast the record so proudly referred to by the late Mr. Warren, who was vitally interested in the progress of the county as a whole.

Football fans on Sunday afternoon had an opportunity to do two things at the same time-watch snow falling and watch a football game between the Edenton All-Stars and Columbia All-Stars. The local outfit managed to win 6-0 when Albert Holmes intercepted a pass and scampered 50 yards for the only touchdown of the game. The local outfit has three victories to its credit and no losses.

And speaking about football, members of the Edenton Aces squad, the two managers and coaches, Tex Lindsay and Nick George were entertained by Cherry Boyce at a steak dinner Tuesday night of last week. The boys enjoyed a "square" meal, and there was no program, Friend Cherry stating that he is proud of the boys and wanted them as his guests.

Harry Crummey took a bus load of local Red Men to Washington, N. C., Tuesday night, where they attended a zone meeting. A barbecue dinner was served at 6 o'clock which was sort of an inducement, but here's one who was unable to go on account of work. The business of Edenton, and in conselocal group took along some candidates to be initiated, quence the general welfare of the and from reports the "boys" had a big time. I'm losing out altogether on these eating frolics.

Some local news was crowded out of the paper this week, among which were two letters to the editor. I welcome letters, if I agree with the contents or not, so that these letters will appear next week.

Tuesday night of last week might be referred to as "Parking Meter Night" for a special meeting of Town Council lasting several hours allowed some folks to get off their chests what they think about the meters. With some folks sore about the meters and Town Councilmen about fed up with all kinds of complaints, Ernest Kehayes did a splendid job in presenting the matter, for he did it in such a diplomatic manner that nobody "flew off the handle". About the most amusing remark made was by Joe Vail when he started out by saying, "Well, they're purdy". The most sarcastic remark was made by one of the visitors when Mayor Haskett sent for Town Attorney J. N. Pruden to render an opinion concerning the parking meter contract. "Can't you read ?" spouted out somebody back in the group.

Mrs. Maurice Bunch quivered as she read the County Commissioners minutes Monday morning and had a hard time writing. No, she wasn't nervous, but instead was cold. The old stove didn't do so hot, and even the Commissioners held their meeting in something like relays, as one by one they backed up to the stove and then chased back to their seats.

With snow falling Sunday afternoon, the Youth Fellowship group at the Methodist Church didn't take chances on waiting for a white Christmas. All of the songs used for the service were Christmas carols.

And speaking about the Methodists, the stewards are anxious for worshippers to occupy the front seats. One suggestion was made to rope off the back seats, but that might make somebody mad. Well, why not move the back seats to the front and put a sign on the back seats, "These are the front seats." Anyway, preachers don't like to preach to empty pews.

Chowan County Commissioners were paid off Monday for a year's work. Business ought to pick up, but then one of 'em said his wife will get his check. Well, check or not, they come pretty near getting the dough one way or another anyhow, don't they?

Parking Meters Target For Much Criticism Continued From Page One

THE CHOWAN HERALD, EDENTON, N. C., THURSDAY, DECEMBER 4, 1947.

parking meters, which agreement is a binding contract. According to my interpretation of this contract, the Town has obligated itself to allow the procession from the home to the meters to be installed and operated for a trial period of eight months, and, to insure the operation of the meters, has agreed to enact and enforce, in good faith, an ordinance relating to the installation and operation of the same. Such an ordinance has been duly enacted."

Following is the petition which was presented at the meeting:

Whereas the Town of Edenton recently installed a system of parking duties called him. meters extending on Broad Street Surviving are h from Water Street to Church Street, Dorsey Smith, his

Relief At Last For Your Cough

Creomulsion relieves promptly be-cause it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender inflamed bronchial mucous membranes. Tell your druggis to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back. CREOMULSION

The Herald congratulates this year's 4-H peanut champion and hopes at the Chicago convention he will not only enjoy himself, but learn even more about profitable and successful farming.

Life Very Uncertain

Edentonians were horrified Thanksgiving morning when they learned about and some even saw an accident in which B. Henry Smith was instantly killed and Al Owens and Howard Spruill narrowly escaped with their

lives when one of the Edenton fire trucks overturned Halsey. on its return from a chimney fire.

The accident once more strikingly emphasizes the fact that in life there is death and no one knows how or when he will pass from the scene.

Henry Smith, a young man of only 32 years, was a very likeable fellow and had a host of friends, all of whom are shocked and grieved to learn of his sudden demise. He was a devoted fireman and died while performing his duty, so that his services will be greatly missed by the Edenton volunteer firemen.

The Herald joins the many who have already extended sympathy to his family and friends.
