

Town Discusses Leasing Part Base For Dairy Project

Vernon B. Hill of Delaware Interested In Locating Here

Town Council was called into special session Wednesday afternoon of last week to consider subleasing a portion of the Edenton Naval Air Station to Vernon B. Hill of Bridgeville, Delaware. Mr. Hill is a dairyman and is interested in moving his plant from Delaware, where he sells milk wholesale. If he comes to Edenton he plans to retail milk.

After a visit to the base Mr. Hill informed Town Councilmen that adequate facilities were available, but that considerable improvements would be necessary to meet the State's requirements.

A committee was appointed to accompany Mr. Hill to the base Thursday to decide definitely what portion of the base he needed, but before the inspection trip materialized, Mr. Hill was called to his home.

Nothing further has developed, though Mr. Hill appeared definitely interested in moving to Edenton.
