

Contributions For Cancer Begin To Reach Mrs. Parrish

Drive For Funds Will Close In Chowan April 30

Though very few reports have been made to Mrs. Ralph Parrish, commander of the cancer drive in Chowan County, early this week she reported having received about \$135 toward the \$800 quota for the county.

The above amount came from the Edenton Cotton Mill and the mill village as well as a \$25 individual contribution, so that Mrs. Parrish says what money has been received has little bearing on the success of the various canvassers. She is very anxious, however, for the county to meet its quota and in fact, due to the prevalence of so much cancer and the worthiness of the appeal, she is hopeful that the quota will be oversubscribed.

In event any person who desires to make a contribution has not been canvassed, Mrs. Parrish, as well as Miss Rebecca Colwell, county chairman, will be delighted to receive contributions in any amount.

Mrs. Parrish says the drive will end on April 30, so that all canvassers are urged to have their final reports in by that time.

"JAM SESSION" TELEPHONE STYLE

Telephone "jam sessions" occur when too many people try to make calls at the same time. With the telephone industry handling a record number of telephone calls daily, these "jams" are sometimes unavoidable. But you can help us reduce their frequency. Whenever possible, make local calls during less busy hours. Make long distance calls after 6 PM or on Sunday, when you'll benefit by lower rates. And if you should have a few seconds' wait when telephoning—please be patient. You will be served as soon as a line is open.
