**Corn Tour In Chowan Friday, September 3rd**

(Continued From Page One)

3:15 — Lester Harrell farm—4-H Club corn.

4:00—Mrs. Dorie Mae Chappell farm, operated by Wallace Chappell. Variety test demonstration.

5:30 — Mrs. Lena Asbell farm, Icaria, variety test demonstration by Charlie Asbell.

"Corn occupies the largest acreage

of any crop in Chowan County," says Mr. Overman. "It is truly a commercial crop from the standpoint of feeding hogs and other livestock, and I hope many farmers will avail themselves of this opportunity to see the various varieties and hybrids in production. Those who make the tour will be able to see them in comparison and probably can determine which will be the best producer on individual farms."
