IN MEMORIAM

In loving memory of our boy, Louis Nixon, who died November 10, 1946:

About this time two years ago
On Sunday afternoon,
Our boy left home so bright and gay,
Saying he'd be back soon.

A message came to us that night,
His life on earth was o'er.
Oh how it broke our hearts to know
He'd speak to us no more.

His chair is always vacant,
No one can take his place.
But on that happy shore up there
We hope to see his face.

So let us always be prepared
To answer the final call,
For we know that sooner or later
It comes to one and all
—By His Mother, Mrs. J. C. Nixon.

Mary Alice Perry.
Bridegroom—Carol Nixon.
Best Man—Lloyd Wayne Bass.
Ring Bearer—Linwood Pearce.
Bride—Loretta Bunch.
Mammy—Ann Pearce.
A large number of distinguished guests are planning to attend the wedding, for which a small admission fee will be charged.

Rotary Governor Visits Local Club

Says Rotary Seeking to Avoid Third World War

Sherwood C. Roberson of Robersonville, Governor of the 189th Rotary District, paid an official visit to the Edenton Rotary Club at the weekly meeting of the club Thursday of last week. All business matters were shelved for the meeting in order to hear Mr. Roberson's address. He met with the club assembly an hour prior to the meeting, when the usual check-up of the various committees was made and plans discussed for club activities the remainder of the year.

Mr. Roberson's remarks were directed primarily to vocational service; saying this phase of Rotary occupies the major part of every Rotarian's time, thus affording him an opportunity to apply the principles of

Rotary. "As Rotarians," he said, "we are leaders in a great movement to effect peace on earth and Rotary seeks to avoid a third World War by turning hate and misunderstanding to love and good will." Practically every member of the club was present at the meeting, with an attendance contest being started with the meeting. William and Frank Holmes are captains of the two sides.

Homecoming Thursday At Colored High School

The homecoming game for the Edenton colored high school will be Thursday night at Hicks Field when the Edenton Dragons meet the Tarboro high school.

In preparation for the game a bonfire was held Wednesday night on the campus of the school and cheers resounded to help the morale of the

Edenton players. The homecoming celebration will begin Thursday afternoon at 4:45 o'clock with a parade beginning at the high school and proceed down Oakum Street, turning at Water Street and thence up Broad Street to Hicks Field. The kickoff will take place at 8 o'clock and at half time the parade will march around the field, followed by the crowning of "Miss Football."

The happiness of your life depends upon the quality of your thoughts. Therefore, guard accordingly, and take care that you entertain no notions unsuitable to virtue and reasonable nature.

It may be caused by disorder of kidney function that permits poisonous waste to accumulate. For truly many people feel tired, weak and miserable when the kidneys fail to remove excess acids and other waste matter from the blood.

You may suffer nagging backache, rheumatic pains, headaches, dizziness, getting up nights, leg pains, swelling. Sometimes frequent and scanty urination with smarting and burning is another sign that something is wrong with the kidneys or bladder.

There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. It is better to rely on a medicine that has won countrywide approval than on something less favorably known. Doan's have been tried and tested many years. Are at all drug stores. Get Doan's today.

During the next six years, half a million teaching positions will be available in the United States. Thousands of men and women are needed to replace inadequately prepared teachers now in the schools, to fill the vacancies caused by normal turnover, and to meet the needs of the five million additional children born during wartime. There is a need for elementary and high school teachers, college instructors, principals, superintendents, and educational specialists of every kind.

Now you know the law of supply and de-

mand. When your kind of training and ability are needed, offers for it are made more and more attractive.

That is what's happening in the teaching profession. An increasing number of states and communities are acting to improve teachers' salaries and working and living conditions.

The ability to teach is a special gift. If you enjoy working with children—make your decision now to join this honored profession. For "Our Teachers Mold Our Nation's Future," and America's future has need of you.
