

Deadline Is Nearing For Veterans' Bonus

J. L. Wiggins Ready to Offer Any Assistance Necessary

Stephen H. Alford, District Officer of the North Carolina Veterans Commission announced today that veterans now residing in North Carolina from the states of Ohio, Pennsylvania and South Dakota should not delay filing for their state bonus as the deadlines are rapidly drawing near.

Ohio Bonuses are payable at the rate of \$10 per month for each month of domestic duty and \$15 per month for each month of foreign duty with a maximum payment of \$400.00. Service dates December 7, 1941 to September 2, 1945. Veterans must have served 90 days and been a resident of the State one year before induction. Honorable discharge required. June 30, 1950 final date for filing all claims.

The Pennsylvania State Legislature in 1949 approved an amendment authorizing a bonus of \$10 a month for state service and \$15 a month for foreign service, with \$500 as the maximum payment. The veteran must have served between December 7, 1941 and September 2, 1945 but those in service on latter date may count service up to March 2, 1946. Deadline for filing applications is July 1, 1950.

South Dakota veterans may receive a bonus of 50 cents a day for domestic service, maximum \$500, and 75 cents per day for foreign service, maximum \$650. Requirements are 90 days of service between December 7, 1941 and September 2, 1945 and legal residence in the State for at least six months prior to entering service. June 30, 1950 is final date for filing.

Other states paying bonuses are Connecticut, Delaware, Illinois, Indiana, Iowa, Massachusetts, Michigan, Minnesota, New Hampshire, New York, North Dakota, Vermont and Washington.

Veterans residing in this section are urged to file for their State bonuses.

J. L. Wiggins, Chowan County Service Officer, Edenton, and the District Office of the North Carolina Veterans Commission, 206 Kramer Building, Elizabeth City, will gladly assist all veterans in filing for their State Bonuses or with any other problems which they may have relating to veterans' affairs and benefits.

Three Corn Variety Test Demonstrations Under Way In County

Purpose Is To Observe Comparison of Various Varieties

Three corn variety test demonstrations are being planted in Chowan County, according to County Agent C. W. Overman. The demonstrations are with the following: L. R. Blanchard of the Gliden Community; J. A. Wiggins of the Center Hill Community, and Thomas B. Wood of the Yeopim Community.

In this work the farmers are using N. C. 17, Dixie 17, U. S. 357, S-315, S-211, B-51, B-125W, G-512W, G-750W, G-705 and the local variety being grown on the farms.

"While through the past work we have found N. C. 27 and Dixie 17 to be of about the highest yield and quality," said Mr. Overman, "and are generally concluded early hybrid for early hogging and also several growers continue to try hybrids that look good to them in other areas."

The purpose of these demonstrations is to let the farmers see the hybrids and varieties in comparison with each other under similar conditions, thereby enabling them to determine which ones suit the purpose for which they desire.

Demonstration On Slip Covers May 4

Mrs. Bessie Wilkins Will Give Instructions at Meeting

Miss Rebecca Colwell, home demonstration agent, announces that a special interest meeting on slip covers for furniture will be held in the community building on Thursday, May 4, at 10:30 o'clock. Mrs. Bessie Wilkins, member of the Rocky Hook Home Demonstration Club, will give the demonstration. She will make a cover for a chair, showing the steps in cutting, fitting and finishing a slip cover.

Mrs. Wilkins does excellent work.

and this demonstration will be very helpful to those who have less experience in making slip covers.

Selection of material will be another feature of this meeting. Miss Colwell will have materials from different stores to show colors and designs of various types.

Anyone who is interested in learning to make slip covers, and those who want assistance with selection of materials are invited to attend this meeting. Each person is requested to bring a lunch, as the meeting will be from 10:30 until 3:30 o'clock.

'The Duplin Story' Will Be Repeated

Dates For 1950 Showing Set For September 7-12

"The Duplin Story", Duplin County's dramatic hit of last year during the bi-centennial celebration of the country's history, will be repeated at Kenansville this year as the Mid-Century production of "The Duplin Story". Again, Sam Byrd of "Tobacco Road" fame will direct and play the leading role in the drama he wrote, directed and acted in last year. Corwin Rife of Dock Street Theatre, Charleston, S. C., will again be the technician, artist and mechanical director. Dates for the 1950 showing will be September 7, 8, 11 and 12.

The mammoth amphitheatre adjacent to the Kenansville High School take care of much larger crowds than take care of much larger crowds than last year.

The decision to repeat "The Duplin Story" was due to the great demand after the sensational success of last season. This demand came not only from within the county but throughout North Carolina. Many critics have classed it as even better than "The Lost Colony" and "Common Glory."

DAYLIGHT SAVING THE "QUIK-TATCH" WAY

At cultivating time, enthusiastic owners agree—there's no better "time-saver" than a John Deere. It's a "time-saver" cultivator when it comes to hitching or unhitching. Simply drive in... fasten the frame... and attach the pipes. One man does the job in a hurry... in a matter of minutes. It's a "time-saver" when it comes to operation. Every good-work feature—adaptability for crops and row spacing... unexcelled view of work... extreme ease of handling... quick, easy dodge... long-lived construction—is built into the John Deere to make it a cultivator you can't afford to be without. See us soon for complete details.
