

Community Center For Club Women

Wards Club Purchases Britt School House Property

The Ward Home Demonstration Club women, with no place to hold their meetings except in homes of members, purchased the one-room Britt School House and site from the Chowan County Board of Education for a Community Center.

Improvements needed to be made before the building could be used, so men in the community came out on January 25 with necessary equipment and moved the building several yards back, preparatory to grading the hill on which the building stood. Then on January 29 the same men, who earlier had labored so diligently at moving the building, were joined by other men in our community and in a short time with their equipment of trucks, tractors, wagons, mules, etc., several trees had been sawed into logs, loaded on trucks and hauled to a nearby mill. The removing of these unnecessary trees not only improved the site, but made the bulldozer job easier and added money to the funds to be used in remodeling the building.

Although being one of the coldest days of the winter, the club women were on hand to encourage these men in their efforts. To show their appreciation the ladies cooked and served hot dogs, bread and coffee to all.

To each person who so willingly helped on this project is extended hearty thanks. It is realized that what has been done is only a beginning. But with husbands, sons and all people of the community joining hands and continuing their cooperation, it will not be long before the club women can point to their Community House with pride.

Club At Oak Grove Showing Progress

Improvements Now Being Made In Neighborhood

The Oak Grove Home Demonstration Club members are proud of the progress they have made in the membership drive. At the time the club was organized, three years ago, it had only five active members. Now there are 18 active members, with a fine spirit of cooperation. Many dollars have been added to the club treasury by serving meals, selling magazines and cards. At present members are very busy making aprons and nylon flowers to help defray the expense of the next project, laying a front walk at the Rocky Hock parsonage. Much improvement is being made in yards and mail boxes. Back yards are being given many thoughts in planning to improve them before the county tour April 23, which will be sponsored by the Home Demonstration Clubs. This Week's Poem

By WILBORNE HARRELL

BOUTONNIERE
Let me keep just one little memory To cherish against the day, when, alone, I will stand on the brink of eternity As on the edge of a garden full blown.

Give me one small flower to wear in my heart— Not bravado's garlands to hide my pain— And let me wear my one little flower A memory gayly and not in vain.
