

Senator Willis Smith Selected Speaker By Virginia Democrats

Jefferson-Jackson Day Dinner In Richmond February 23rd

Democrats of the State of Virginia have selected North Carolina Senator Willis Smith as keynote speaker for Virginia's Jefferson-Jackson Day Dinner in Richmond on February 23.

The Virginians noted the fact that Senator Smith was born in Virginia. Smith, however, moved to North Carolina when he was two years of age.

Senator Smith's selection was encouraged by Senator Harry F. Byrd (D.Va.) a close friend of Smith.

The Virginia speech by Senator Smith will be the top one of his career since going to the Senate in 1950. Arrangements are being made for a national radio network to carry the broadcast, according to information from Richmond.

The Virginia event follows by two weeks the North Carolina Jefferson-Jackson Day Dinner, at which National Democratic Chairman Frank McKinney was principal speaker.

The gathering of the Democrats in Richmond will be at the Hotel John Marshall. As is the case with all such party dinners, the purpose of this one is to raise money for party purposes in Virginia. Last year the Virginia dinner raised almost \$12,000. Tickets are \$25 each.

Edenton High Drops Games To New Bern

Both Edenton High School basketball teams were defeated in the Edenton gymnasium Friday night by the New Bern outfits. In the girls' game New Bern walked off with a comfortable margin of 42 to 20.

There was very little difference in the score of the boys' game, the New Bern team winning by a count of 42 to 23. The locals took a 5-0 lead at the start of the game when almost four minutes of the game had elapsed before any score was made. The visitors, however, gradually pulled ahead and at no time were they seriously threatened.

Al Owens led the Edenton scoring with six points, as many shots were missed by the Aces.

In the girls' game Ann Hawkins led the Acelets scoring with six points.
