New Scout Executive Named For District

Raymond F. Heck, Jr., Succeeds William A. Sutherland

Raymond F. Heck, Jr., of Bassett, Va., has assumed the position of Field Scout Executive of the Tidewater Council serving East and West Albemarle Districts to succeed W. A. Sutherland who has been promoted by the Tidewater Council to assume charge of the Norfolk District.

Heck together with his wife and child will reside at 1506 S. Williams Circle in Elizabeth City and will serve the seven counties comprising the two districts.

He started out in Scouting at age 13 and became a First Class Scout in 90 days. He came up through the ranks as an assistant patrol leader, patrol leader, and assistant scoutmaster, and was very active in the troop until he went to college. At college, he took several Scout courses and helped with troops in the community. As a Scout, he did a great deal of camping and served on the Camp Powhatan staff for a number of summers.

While in college he entered the Navy V-5 program and was designated Naval aviator and commissioned Ensign in February 1944. He was released from active duty as a Lt. (jg) in January 1946. He returned to college and graduated with a B. S. degree in general science from V.P.I. in March, 1948. During the summer of 1947, he took an 800 mile canoe trip through the wilderness of northern Canada.

After graduating from college, he entered the 129th National Training School for Professional Leaders. As soon as his professional training was completed, he joined the staff of the Roanoke Area Council, Roanoke, Va., as Field Scout Executive of Roanoke, Salem, and Boteourt-Craig Districts. He directed the annual Council camps during the summers of 1949 and 1950. He terminated his services with the Council on February 27, 1951, and at that time accepted a job with the J. D. Bassett Manufacturing Company, Bassett, Va., as sales manager. He has been active in the Patrick-Henry District as camping chairman for the past year and a half.

Esso Extra Gasoline

Many motorists believe that all good gasolines are generally pretty much alike. But here are the facts as proved by industry-accepted road and laboratory tests!

Esso Extra gives you a remarkable combination of qualities that will improve the all-year, all-around performance of 9 out of 10 cars on the road.

We believe a trial will prove to you Esso Extra delivers results no other gasoline can. It gives you full power, long mileage, high anti-knock, quick starting, fast engine warm-up, and protection against vapor-lock stalling.

And while you're at your Esso Dealer's, there's certainly no better time to let him give your car a complete lubrication and careful check-up for the hot weather driving you'll be doing.

*Esso Extra Gasoline is good for ALL cars, but in 9 out of 10 it will give better all-around performance all year 'round than any other gasoline. Only a car with an engine that's poorly adjusted, badly worn, or one with unusual compression characteristics may be unable to use fully the many extra qualities of this great gasoline. See your nearby Esso Dealer today!
