

John Dobson Speaks At Woman's Club Meeting Last Week

Delivers His Prize Winning World Peace Speech

John Dobson, outstanding senior at Edenton High School, and winner of the World Peace Speaking Contest, delivered his winning speech before the members of the Edenton Woman's Club at its April meeting held last Wednesday at St. Paul's Parish House. The contest is sponsored annually by the Woman's Club under the auspices of the State Federation, and the topic for this year was "Building World Peace—What have been the achievements and what are the prospects of the United Nations?" In his speech John cited the founding, growth, and some of the aims of the United Nations. Club members were impressed with the content and delivery of his speech. He is the son of Mrs. Delmas Sawyer, and was recently awarded a scholarship to attend Duke University.

Guests at the luncheon included a feature writer and a photographer from the Raleigh News and Observer, who were in town gathering material for articles on the forthcoming Pilgrimage of Colonial Edenton and Countryside on April 10-11. Mrs. R. N. Hines, general chairman of this event, called on her committee chairman and from their reports it is anticipated that this year's Pilgrimage will be the most successful yet held.

Mrs. Wendell Copeland announced that the Flower Show will be held this year on Thursday, April 23, at the Teen Age Club. Entries will be received between the hours of 8:30 and 11 A. M., and will be on display to the public from 2 to 9 P. M.

Other items of business included approval of a motion to join the Junior Chamber of Commerce and Business and Professional Women's Club in sponsoring a cold plate luncheon and supper at the Penelope Barker House on Saturday, April 25, all proceeds to be used for restoration of the house.

The club voted to send two delegates to the State Convention at Wrightsville Beach on May 6, 7 and 8, and appointed Mrs. J. H. Conger, Jr., president and Mrs. Frank Holmes, president-elect, as delegates, with Mrs. A. Phillips as alternate delegate.

61 JAILED IN MARCH

According to the monthly report of Jailer Herman White, 61 persons were lodged in the Chowan County jail during March. Confinements ranged from one to 31 days and the cost \$370.59, which includes jail and turkey fees, scouring the jail, soap and telephone bill.

IN MEMORIAM

In memory of my father who died August 3, 1952:
My Daddy will not be here
To celebrate this Father's Day.
He left us about eight months ago,
God called him and led the way.

My Daddy was so sweet and kind.
He had so many friends—
There was no one who disliked him.
God loved him enough to forgive him
The mistakes he had been in.

Daddy will have to suffer no more.
He was so terribly sick and alone.
He lived a little over a year after his
accident.
But now is living in a Heavenly home.

We know why Daddy left us.
There was another job for him to do.
Why should we be so sad and lonely?
God will soon call us to meet Father
And all of our dreams will come true.

We're all waiting to go to meet Daddy.
It will be such a wonderful day!
If we live and trust in Jesus
He'll guide us and lead the way.
BY HIS DAUGHTER,
SHELBY JEAN NIXON.

Senior Class News

BY MARGARET PARRISH

We're all glad to be back from our Easter vacation even if we are tired and sleepy. The "day off" was well spent from all reports.

The Seniors have not decided what color caps and gowns they will wear at graduation. They plan to decide in the near future.

Esther Murden Warren, daughter of Mr. and Mrs. Hardy Warren, of Norfolk, Va., was born in Chowan County on August 21, 1935. At present, Esther resides at 112 West Eden Street, Edenton, with her grandparents, Mr. and Mrs. C. W. Britton. Mr. Warren works for the Civil Service at Port Story, Norfolk, Va.

Esther began her school career at Chowan High School, but came to Edenton in the second grade. She left again though, to return for good in the sixth grade.

Esther is vice-president of the F.H.A. She is a member of the Beta Club and Glee Club. She was in the spring Operetta. Esther is Exchange Editor of the Spotlight Staff and Business Manager of the Annual Staff. She was voted Most Dependable of the Class of '53.

Esther likes to go to the show, read, cook candy and ride. She also likes to listen to music and sing. She likes all boys, however, there is no special one.

Esther is a member of the Macedonia Baptist Church. At present, she works at the Drive In Theatre. Upon graduation she plans to work in Norfolk, Va. Lots of luck to you, Esther, for you certainly deserve the best.

Mary Christine White, daughter of Mr. Lloyd White, Route 1, Edenton, was born September 15, 1935, in Chowan County. Mr. White is a farmer.

Christine is a member of the local F.H.A. Chapter and has been a member of the 4-H Club. She likes to read, cook, listen to music, ride and drive

Another Great Feature of the JOHN DEERE "50" and "60" Tractors...

Unequaled SIMPLICITY and STRENGTH

UNEQUALLED in simplicity of design... unmatched in ruggedness and strength of parts, the new John Deere "50" and "60" Tractors set new standards for longer, more dependable, trouble-free service at rock-bottom maintenance expense.

There are practically half-as-many, twice-as-husky parts in the John Deere two-cylinder engine—fewer parts to wear and require eventual replacement... heavier, stronger parts to withstand the grueling strains of farm work for a longer time. This same simplicity and strength are carried right on through the entire tractor with fewer, stronger gears in the transmission... one-piece frame, main case, and rear axle housing plus many other features to assure greater rigidity, perfect alignment of parts for the most economical, dependable tractor service you've ever known.

The extra-rugged, extra simple John Deere engine—only two cylinders, two pistons, two connecting rods—correspondingly fewer valves, bearings, rings and other parts to wear and require eventual replacement.

OTHER OUTSTANDING FEATURES

Duplex Carburetion • "Live" Power Shaft • "Live" High-Pressure Power-Trol • Quick-Change Wheel Tread • Effortless Steering • Ultra-Modern Engineering • Unexcelled View • Greater Convenience.
