Petition Presented To Improve Chowan Road

Chowan County Commissioners received another petition for road improvements at their meeting Friday and, as is the procedure, the petition was approved and sent to the State Highway Commission, where it will be considered when funds become available.

The road is half a mile long running from Sandy Ridge road at the Center Hill Baptist Church to William Brown's land and is known as Simpson Lane.

On the road are 15 dwellings and one church and the petition asks for the road to be drained, graded and hard-surfaced.

This Week's Poem

By WILBORNE HARRELL

FABLE FOR FOOLS

He hungered for bread and they gave him truth
That his soul may be satisfied and stilled,
And his mind with the lore of ages be filled—
But he partook not. For he /was a youth
Who knew that all wise men walked in darkness
And never on the road that men called right;
And that only he himself knew the light
Of true knowledge. Ah, never in distress
Would he grovel, for in his grasp he held
All worldly wisdom and power to dispel
The cold disdain skeptical men may show,
And in his heart of hearts he cried, "I know!
I have tasted all truth and drunk my fill,
Let now the tongue of sage be ever still."
