

Demonstrations In Tobacco Under Way

Searching For Methods To Combat Black Shank Disease

"What tobacco variety must I use? This question confronts every tobacco grower at the beginning of each year," says County Agent C. W. Overman. "The black shank disease is prevalent in most of our soils where tobacco is grown. Growers, generally, are using a black shank resistant variety but apparently have not found one that they deem most ideal for their farms."

In order to give growers an opportunity to observe several different varieties growing in this county several tobacco demonstrations have been planted. The varieties being used are Virginia Gold, White Gold, Vesta 8, Vesta 1, Oxford 1-181, Oxford 1, Number 0504, Dixie Bright 102 and Dixie Bright 101-2. One of these demonstrations was set with Watt White of Enterprise community last week. Mr. White is also using in comparison with these varieties Oxford 182 and Gold Dollar.

TAYLOR THEATRE

EDENTON, N. C.
 Week Day Shows Continuous From 3:30
 Saturday Continuous From 1:30
 Sunday 2:15, 4:15 and 9:15

RECIPE OF THE WEEK
 By Mary Lee Taylor
Easy Marble Cake
 Broadcast: May 23, 1953

1 Tablespoon melted shortening
 3 Tablespoons cocoa
 2 Tablespoons sugar
 2 Tablespoons warm water

1 package white cake mix (see note)
 3/4 cup Fat
 Evaporated Milk
 1/2 cup water
 1/4 teaspoon baking soda

Grease, then dust with flour a loaf pan holding about 10 cups. Mix shortening, cocoa, sugar and warm water; let stand. Put cake mix into a 2-quart bowl. Add half of a mixture of the milk and water. Beat hard 1 minute with spoon or electric beater at medium speed. Stir in rest of milk mixture. Beat hard 2 minutes. Pour about 2/3 of batter into prepared pan. Stir soda into cocoa mixture, then beat into rest of batter. Spoon over top of white batter in pan. Cut through batter with knife for marbled effect. Bake on rack slightly below center in moderately slow oven (350) about 1 hour, or until cake pulls from sides of pan. Remove from oven. Let stand in pan 10 minutes before turning out to cool. Makes one large loaf.

NOTE: You can use any of the well known brands that call for milk on the package.
