Chowan Boys Win In Vegetable Contest

Jackie Morris, Leon Privott, Sherwood Harrell Winners

Jackie Morris, son of Mr. and Mrs. John Morris, of the Cannon's Ferry community and Leon Privott, son of Mr. and Mrs. E. E. Privott, of the Cross Roads community won second place in the marketing phase of the NJVGA Team Demonstration Contest. This contest is sponsored by the National Junior Vegetable Growers Association, with H. M. Covington, Extension Horticulturist, acting as State Director.

Jackie and Leon gave the demonstration on "Field Grading Sweet Potatoes." In their demonstration they told of the importance of grading sweet potatoes, told why it should be done in the field and actually showed how the job can be done on a practical basis.

Sherwood Harrell, son of Mr. and Mrs. Gilbert Harrell, of the Cowpen Neck community, gave a demonstration on "Control of Destructive Garden Insect Pests." Sherwood won third place with his demonstration. In his demonstration he told of the different kinds of destructive garden insect pests and showed how each type can be controlled. Sherwood's demonstration was on the production phase of the NJVGA contest. This was the largest contest ever held in the Eastern district.
