Albemarle Youth Conference Near Creswell June 4 And 5

Group of Outstanding This 19 Speakers Will Be On Program

Plans are now complete for the second annual Youth Convention sponsored by the Albemarle Youth for Christ Rally. It will be held in the Philippi Church of Christ, near Creswell June 4-5. Theme for the meeting will be "The Church and the Old Jerusalem Gospel."

The Albemarle Youth Rally was organized over a decade ago by G. C. Bland, a minister of the Church of Christ. The annual convention was started by Reese Turner, two years ago. The rally includes Tyrrell, Perquimans, Chowan and Washington counties. It is not affiliated with Youth for Christ International: but was organized with the purpose of promoting evangelism, reaching unchurched youth, and bringing the churches of the brotherhood closer to- to a contract? gether in this area of North Carolina. Wheat Farmers Will

June 25 has been set as the date for holding a producer referendum on wheat for the 1956 crop.

Clyde R. Greene, chairman of the State ASC Committee explains that the national wheat marketing quota for 1956 was proclaimed by the secretary of agriculture and must either be accepted or rejected by a vote of the farmers affected. The national marketing quota for next year will be the same as was in effect this year-55 million acres. Greene notes that this is the minimum level specified by law under present supply conditions.

If two-thirds or more of the producers voting in the referendum favor marketing quotas, they will be in effect for 1956. With quotas in effect, producers in North Carolina who stay within the acreage allotted for their farm will be eligible for the full level of price support.

If two-thirds or more of the producers voting in the referendum vote against quotas, they will not be in effect for next year; however, acreage allotments will still be in effect on wheat, and the same acreage will be allotted regardless of the outcome of the referendum. Also, if quotas are not approved, the price support level for wheat will drop to 50 per cent of parity;

Has Its Own

Over the years there has come into being what amounts virtually to a special Cadillac vocabulary. Certain words and phrases have so long and so

often been used in association with Cadillac that they almost automatically call the car to mind. When the talk is of motor cars, who can hear the word "prestige" without thinking of Cadillac?

'It is likewise true of "distinction" . . . of "luxury" ... of "pride of ownership" ... of "satisfaction" ... of "comfort" ... of "long life and dependability" ... of "beauty" ... of "impressiveness" ... of "value"—and of dozens of other words used to denote superiority.

In a sense, these are Cadillac words-and they actually sound strange when employed in any other connection. Even when used in the promotion of another automobile, they still suggest the "car of cars".

Naturally, words like these can become inseparable • only from a product which deserves them. In the

case of Cadillac, it has taken half a century of the strictest adherence to the highest automotive standards to win this public approval.

Eternal vigilance is the price of this reputation. * * *

Most people, of course, realize that these wonderful words apply to Cadillac. But too many have not yet personally found out why.

If you are among these—come in and see us today. We will give you the keys to a new 1955 Cadillac and you'll know in a single hour why Cadillac has its own vocabulary.

You'll know, from personal experience, that when you speak of "prestige" and "distinction" and "luxury" and "pride of possession" and "value"—you are speaking of the Standard of the World.

We have the keys-and the car-and a real welcome waiting for you.
