Laundromat 25 Automatic Washer

ONLY \$199 A WEEK
after small down payment

Trim, compact and fully automatic! Not a "miniature", this new Laundromat 25 is a "big" washer in every way but size. It washes a full family-size load—yet it's only 25" wide... and uses less water than other automatics!
PORTABLE—Roll it out for washing... then back for storage. Perfect for small homes.
BUILT-IN—For permanent under-counter installation. Smart new styling beautifies kitchen.

NEW WAY TO WASH—The Laundromat 25 features it! Westinghouse took the vanes off the old-fashioned agitator—built them into the washbasket. As it revolves, clothes are flushed, lifted, turned and tumbled again and again for cleaner and brighter, 100% uniform washing.
