

Legion Auxiliary To Hold Turkey Dinner

Proceeds Go to Help Pay For New Band Uniforms

Sponsored by the American Legion Auxiliary, a turkey dinner will be served in the Legion hut Friday evening, May 18, from 6:30 until 8 o'clock.

Tickets will go on sale this week-end, which will entitle the bearer to a complete dinner and beverage.

The purpose of this dinner is to help raise funds to pay for the new uniforms for the Edenton Junior-Senior High School Band, so that it is hoped many people will patronize the dinner.

The Meaning

Soil Conservation Week Is Observed

Purpose Is Reminder That Man Is But a Steward of Soil

Man's stewardship of the land is being emphasized in Chowan County this week, May 6-12, according to L. C. Bunch, chairman of the Albemarle Soil Conservation District.

This period has been designated by Governor Luther H. Hodges for the observance of Soil Stewardship Week which is being observed this year throughout North Carolina.

The purpose of Soil Stewardship Week, which is sponsored nationwide by the National Association of Soil Conservation Districts is "to remind people in all walks of life that man is but a steward, not owner, of God's soil, water and plants."

The observance was started as Soil Stewardship Sunday 10 years ago by a Southern farm magazine, Farm and Ranch. The response of ministers and laymen was so great that the soil stewardship idea spread rapidly. The National Soil Conservation District

Association took over sponsorship of the event last year and this year expanded it from Soil Stewardship Sunday to Soil Stewardship Week.

In North Carolina, where Soil Conservation Week has been observed for several years, the State Association of Soil Conservation Districts decided to combine the two observances this year during the week of May 6-12, which had been designated by the National Association as Soil Stewardship Week.
