

Panel Is Feature Of PTA Meeting

Nominating Committee Presents Slate Of New Officers

Edenton's Parent-Teacher Association met Tuesday night of last week in the Elementary School auditorium with Mrs. John J. Ross, president, presiding.

The American flag was presented by Den 2 of the Cub Scouts, with the devotion by the Rev. George Holmes following.

The minutes of the previous meeting were read by Miss Frances Marshburn in the absence of Victor Tucker, the secretary.

A feature of the meeting was a report of the Nominating Committee, which presented the following slate of officers for the year 1957-58.

Joe Conger, Jr., president; Charles Wood, Jr., vice president; Miss Frances Marshburn, secretary, and Mrs. Leon Leary, treasurer.

Mrs. Horace White, chairman of the Ways and Means Committee, announced that a May Day Festival will be held in the Teen-Age Club room Wednesday afternoon, May 1, beginning at 3:30 o'clock.

During the meeting a film, "Health Careers," was presented by Mrs. R. H. Whitten. Another feature was a panel rebuttal on the subject "Youth Speaks." Members of the panel were Mrs. Madlin Belch, Mrs. John Wood, N. J. George, Frank Holmes, Mrs. R. H. Vaughan and Lieut. Col. William Case.

Mrs. Lloyd E. Griffin's fourth grade won the attendance award and Mrs. Paul Partin and Haywood Bunch served as registrars.

Wm. T. Persick Will Be Art Show Judge

Continued From Page 1, Section 1

School, Edenton Junior-Senior High School, Chowan High School and the Rocky Hook School be displayed, but it is hoped a large number of local artists and Marine personnel will exhibit paintings, ceramics and handicraft.

Mr. Persick, who has an impressive record of art showings with ceramics as his major interest, joined the East Carolina College staff in 1956. He is a graduate of Boys Town High School in Boys Town, Nebraska, and studied at New York State College of Ceramics, the University of Nebraska and received his Master of Art Degree with a major in ceramics from Ohio State.

His work has been displayed mainly in Nebraska and Ohio and in 1954 at the Nebraska State Fair he was awarded grand prize in ceramics, three first prizes in ceramics and grand prize in watercolor and Gauche. In 1956 he was receiver of the Arthur E. Baggs Memorial Award at the Columbus Art League in Columbus, Ohio. Mr. Persick plans to bring pieces of his ceramics to display at the showing. All school work to be judged must be turned in by Friday, March 29th. Other art work may be brought to the Penelope Barker house on Monday, April 1st and Tuesday, April 2nd between the hours of 10 A. M. and 12 noon. All work is entered at the risk of the owner.

GUILD MEETS APRIL 2

The Wesleyan Service Guild of the Methodist Church will meet at the home of Mrs. William E. Moore in Pembroke Circle Tuesday night, April 2, at 8 o'clock. All members of the Guild are urged to attend.

NOTHING LIKE A SEAL MATTRESS—While the bones of these seals are not in evidence, they're there and they're lazy. Caught in the throes of prespring fever, the two residents of New York's Central Park Zoo strike a sun worshiper pose. The one on the bottom is too far gone to remove the pup who is comfortably resting on top.

Property Valuation Causes Complaints

Satisfaction Expressed When Fully Informed

Quite a few people confronted the Chowan County Commissioners Monday when they sat as a board of equalization and review to hear complaints about the new property valuations.

Though a goodly number registered complaints, generally speaking most of them left the Court House more or less satisfied when they realized that the valuations were on the same basis as similar property.

In a few cases legitimate errors were found and corrected and the Commissioners have the intention to see that everybody is treated fairly. They intend to spend much time and thought to legitimate complaints, but plan to make no changes except where an error was made.

The Tax Commission met Monday night and the Commissioners will sit to hear further complaints Monday afternoon, April 1, following their regular monthly meeting.

Fish Fry Feature Of Legion Meeting

Continued From Page 1, Section 1

During the meeting a number of visitors made brief remarks in support of Mr. Holmes, chief among whom were Ed Harris of Greenville, division commander; Herman J. McLawhorn of Greenville, past president of the Go-Getter Club; B. C. Berry, district commander and W. F. Ainsley of Hertford, who was bold enough to say "John Holmes will be our next Department Commander."

All of those who spoke on behalf of Mr. Holmes referred to him as a fine Christian gentleman and one who would bring credit to the Legion. He is elected. However, it was pointed out that Mr. Holmes is not a back-slapper and that his election will to a great extent depend upon the work of his many Legion friends throughout the State.

A feature of the evening was a program on the "Grand Ole Opry" type presented by LaMar Benton and a group of Gates County talent, which was very much enjoyed.

A cake, won as a door prize by a Hertford Legionnaire, was auctioned off for \$20. The purchasers paid for the cake and had it auctioned off again when it broke, but

Mrs. Bommie White BPW Club President

Continued From Page 1, Section 1

led by Miss Lena Jones, the president called on the various committee chairmen for their reports.

Mrs. Clara Boswell, health and safety chairman, announced that Dr. Edward Bond has agreed to teach a first aid course which the club voted to sponsor. Mrs. Boswell explained that the course requires 18 hours of training in a 12-week period in order to be eligible for a certificate. The club voted to order 50 books for the course, which will be held at the Edenton Junior-Senior High School beginning Friday night, April 5, at 7:30 o'clock. The course is open to anyone 15 years and over, and it is hoped that a large number of Edenton and county people will take advantage of this opportunity.

Mrs. Lena Leary told the group she would like to donate five books entitled "BPW Welcomes You," to the club for distribution among new members. The club gladly accepted the gift and expressed appreciation to the donor.

The club voted to amend the by-laws to agree with national by-laws and to suspend the two weeks notice rule of parliamentary procedure concerning the changing of by-laws as well as voted to renew the Barker note.

The president reminded those who had not turned in their concert and plate money to do so at once.

A delicious barbecue dinner was served by members of the finance committee.

EASTERN STAR MEETING

Edenton Chapter No. 302, Order of the Eastern Star, will meet Monday night, April 1, at 8 o'clock in the Masonic Temple. Mrs. Margaret Stanton, worthy matron, urges all members to attend.

FIFTH SUNDAY SING

The Gates County Fifth Sunday Sing will be held Sunday afternoon, March 31, at the Ross Baptist Church. The sing will begin at 2:30 o'clock and is, as usual, expected to attract a capacity crowd.

JAYCEES MEET TONIGHT

Edenton's Junior Chamber of Commerce will meet tonight (Thursday) at 7 o'clock in the Penelope Barker house. President Dick Dixon urges a full attendance.

April Fool Dance At School April 1st

Admission Will Be a Penny For Each Inch Of Waistline

Sponsored by The Spotlight staff at the Edenton Junior-Senior High School, a big dance will be held April Fool's Day from 7:30 until 10 P. M.

"Wear whatever suits your fancy," say those in charge, "it be Bermuda or just plain old school clothes."

The admission will be a penny for every inch of the waistline and at the door each person will be given a copy of "The Spotlight," in which will be found gossip, funny stories and just loads of tony-turvy features.

Papers will also be sold in school Tuesday for a dime for those who do not go to the dance.

The dance will be held in the cafeteria, which will be attractively decorated for the occasion.

The Deep Fat Fryer

By SYLVIA C. MATTHEWS
Virginia Electric & Power Co.
Home Economist

With the spring season brings weddings and anniversaries, we are reminded that small electrical appliances make lovely gifts. The deep fat fryer is one of the most useful of these, especially for the man of the house, who likes French fries browned just right with his steak.

Foods prepared in it are delicious, crisp, appealing to the eye, and easily digested. You can use this appliance every day for hearty main dishes or for special party dainties. We are more familiar with doing French fries, fritters, and doughnuts, but the recipe book has many new recipes to try.

Versatility is another key word with deep fat fryers. Use it to blanch vegetables, to poach fish or

canning, to steam puddings, braise meats, as a small bake oven, or to make jelly.

The handy drain spout in many fryers makes the cleaning operation very easy. Set the fryer on the drain spout over the edge of the sink. Drain the fat and wipe out excess particles with paper towels. Add water and detergent and heat for fifteen minutes. Drain, rinse, and dry. Fat may be stored in the fryer for short periods of time, but if food particles collect, it should be strained as these cause the fat to smoke.

Try one of the following recipes in your fryer to add interest to spring cooking:

Apple Doughnuts
2½ cups flour
2 teaspoons baking powder
¼ teaspoon salt
1 teaspoon nutmeg
¾ cup sugar
2 eggs
¾ cup well drained canned apples
1/3 cup milk
2 tablespoons shortening
Sift flour, baking powder, salt and nutmeg. Cream shortening and sugar thoroughly. Add eggs one at a time. Add liquid and dry ingredients alternately. Drop by teaspoons into fat heated to 375 deg. F. for about three minutes. Roll doughnuts in cinnamon sugar.

Crab Balls
1 lb. crab meat, cooked
1 egg
¼ teaspoon pepper
4 tablespoons melted butter
Flour
¾ cup milk
Fine bread crumbs
2 eggs, beaten
Combine and thoroughly mix crab meat, 1 egg, butter, pepper, and enough flour to hold mixture together. Shape into balls. Roll cakes into a mixture of half flour and half bread crumbs. Then dip into the mixture of 2 eggs and ¾

Prayer that Heals

With unlimited promise Christian Science knocks at the door of every human heart. Will you open the door and listen?

Thoughtful reading of **SCIENCE AND HEALTH with Key to the Scriptures** by Mary Baker Eddy

has brought lasting help and complete physical healing to multitudes. It can show you, in the same way, the healing power of answered prayer.

"This system enables the learner to demonstrate the divine Principle, upon which Jesus' healing was based, and the sacred rules for its present application to the cure of disease" (Science and Health, p. 147).

Science and Health will present positive healing to you. It is a book that will show you the way to health and happiness.

cup milk. Roll again in flour-crumbs mixture. Heat shortening to 370 deg. F. and fry 3 to 4 minutes or until golden brown. Drain on absorbent paper.

The World Progresses

Maizie—"Is your boy friend a one-arm driver?"
Mamie—"Not him. He takes a taxi and uses both arms."

Geta 'Em Going And Coming Schultz—"Your opening sale has closed. What now?"
Schwartz—"Our closing sale opens."

Helping Him Out

He—"There was something I wanted to say to you, but I forgot what it was now."
She—"Was it 'good night?'"
