

NAAS NOTES

By CAROLE McFERRIN

See . . . just because I opened my mouth last week about the weather being cold, we're suddenly suffering with the heat. But wasn't the Easter week-end lovely? Everyone looked wonderful all dressed up.

I said last week that I was saddened to report all the people that were leaving, but I guess I shall continue to be sad as I have more to report this week. Lt. Col. and Mrs. Jay McDonald will leave for Corpus Christi, Texas. Major James Aynes will report to the 3rd Marine Division in Japan, while Mrs. Aynes will return to Corona Del Mar, California. Mrs. Fred Haines will also go to California when Hajor Haines goes to Japan. Major and Mrs. John Hyneman will go to Cherry Point. Dr. and Mrs. J. E. Mimmack will leave Edenton when Dr. Mimmack's military service terminates in August. Lt. and Mrs. J. R. McQuillan will return to civilian life in St. Paul, Minnesota in June. Lt. and Mrs. James Parsons are going to Cherry Point, and Lt. and Mrs. Walter Wojciechowski will go to the Training Command in Corpus Christi. Although I hate to see these people leave, I look forward to all the new personnel coming into Edenton.

Captain and Mrs. John Breeze, with sons, Bobby and Johnny, traveled to Quantico, Virginia, last week to look over the housing situation. Captain Breeze will report for duty there in the near future.

Mr. and Mrs. Robert Jordan, Sr., and their daughter, Lu, were the guests of their son and daughter-in-law, Dr. and Mrs. Robert Jordan, Jr., over the Easter holidays. They are from Elizabethtown, N. C. Miss Mary Brooks of Bath, N. C., is also a guest in the Jordan home.

Taking an extended trip through

Florida, are Drs. Jack Mimmack and Brooks Klostermeyer. Accompanied by their families, they will travel through St. Petersburg and on down through the Florida Keys.

It was wonderful to see such a huge crowd enjoying the Easter egg hunt sponsored by the O'Wives and NCO Wives. Saturday afternoon was the time, and 150 children searched for eggs behind the Special Service Building. The children were divided into four age groups and prizes were awarded to those in each group finding the most eggs, a gold egg, and a silver egg. In the 1 to 2 age group the winners were: the most—Steven Artia, son of S-Sgt. and Mrs. Artia; gold—Lillian Lampan, daughter of T-Sgt. and Mrs. G. V. Lampman; silver—Glen McFerren, son of Lt. and Mrs. K. A. McFerren; 3 to 5 year old winners were: most—Linda Shields, daughter of Major and Mrs. R. Shields; gold—Brian Read, son of Major and Mrs. Jack Read; silver—Bobby Rowell, son of T-Sgt. and Mrs. Rowell; 6-9 winners: most—Mike Free, son of Lt. Col. and Mrs. Wilbur Free; gold—Tim Maxwell, son of T-Sgt. and Mrs. V. Maxwell; silver—Danny Driver, son of 2nd Class Petty Officer and Mrs. Driver. In the 10 to 12 age group the winners were most—Hadley Collins, son of Col. and Mrs. F. Collins; gold—Allison Leech, daughter of M-Sgt. and Mrs. J. N. Leech; silver—Bruce Free, son of Lt. Col. and Mrs. Wilbur Free. Anyway, everyone had a fine time.

Two birthdays last week-end. Stephen Koehler, son of Major and Mrs. Gig Koehler celebrated his first birthday on Saturday. Friday, Rickey Emerson, son of Lt. and Mrs. S. M. Emerson, was 8 years old.

That does it for this week . . . with warm weather there should be

lots more doing and I'd appreciate it if you'd phone me and give me the word . . . 4188 . . . Till next week then . . .

Local Ford Tractor Dealer Guest Of Ford Motor Co.

J. Scott Harrell, president and general manager of the Edenton Tractor & Implement Company, recently returned from a 4-day visit to the headquarters of the Tractor and Implement Division, Ford Motor Company in Detroit, Michigan.

Mr. Harrell visited the Detroit area as a guest of Universal Tractor-Equipment Corporation, Richmond, Virginia, Ford Tractor and Implement Distributor throughout Virginia and Eastern North Carolina. Four other Ford Tractor and Implement Dealers also made the trip.

While visiting the main headquarters of the Tractor and Implement Division, Mr. Harrell had an opportunity to see the Division's new testing center, located immediately behind its main building.

Other highlights of the trip included a visit to Ford's Highland Park tractor plant where the present full line of Ford tractors are assembled. At this same tractor assembly plant, the two and one-half millionth Ford built tractor is expected to roll off the assembly line sometime during the month of April.

Mr. Harrell also visited the world famous Ford Rotunda, and the gigantic automobile assembly line and steel mill at Ford's Rouge plant.

Before returning home, Mr. Harrell and the other Ford Tractor dealers were entertained by the Tractor and Implement Division at the famous Elmwood Casino, Windsor, Canada.

Ernest Stillman Dies In Windsor Hospital

Ernest Stillman, 52, a former Edentonian, died in the hospital at Windsor Wednesday of last week.

Surviving are his wife, Mrs. Penny Mae Harrell Stillman; two sons, Captain Ernest Stillman, Jr., stationed at the U. S. Air Force Base, Seymour Johnson Field, and Lynn Stillman, at home; two twin daughters, Penelope and Pamela, at home; his mother, Mrs. A. B. Stillman of Richmond, Va.; his father, A. B. Stillman of Portsmouth, Va.; three brothers, A. B. Stillman, Jr., Warren Stillman and Fred Stillman, all of Norfolk, and one sister, Mrs. Blanche Morris of Richmond.

Funeral services were conducted Friday afternoon at the Cashie Baptist Church at Windsor. The Rev. Charles W. Duling officiated, assisted by the Rev. R. N. Carroll, pastor of the Edenton Baptist Church. Burial was in Edgewood Cemetery at Windsor.

WHAT A TORNADO CAN DO—Mrs. Charlotte Ada Johnson comforts her 1 1/2-year-old daughter while helplessly surveying the wreckage of her home in the Records Crossing section of Dallas, Tex. The huge death-bringing tornado has passed by; the job of reconstruction has just begun. Mrs. Johnson's family happened to survive the storm but four of her next-door neighbors died in it.

OH, SING TO ME, ELVIS—An hysterical Elvis Presley fan is restrained by two policemen as she attempted to approach the singer on a Philadelphia, Pa., bandstand. Perhaps she was overwrought because the singer's tour was labeled as his "farewell" before entering the Army.

KNOW YOUR SOCIAL SECURITY

This is the third and final article in the "How Earnings Affect Social Security Benefit Payments" series. If you are working for wages or self-

employed there is a general rule on when to report your earnings to the Social Security Administration. If you are working for more than \$80 a month and expect your earnings for the year to amount to

loans for Home Improvement

No need to postpone necessary repairs or desired improvements for lack of ready cash. You can borrow from us at low cost, pay back later in regular monthly installments out of current income.

more than \$1200 or if you are rendering substantial services in self-employment in your business or on your farm and you expect your earnings to amount to more than \$1200. If you report when either of these events are likely to occur, you will avoid becoming overpaid and finding yourself in the position of having to pay back some of this money to the Social Security Administration at the end of the year. The Social Security Administration does not want this to happen to you. Since you are the one who is working and receiving the Social Security checks, it is up to you to keep a record of the amounts that you earn. If you are unable to keep this type of record, have someone help you with it.

At the end of each year, if you have received any Social Security benefits during that year, an annual report must be filed with the Social Security Administration on or before April 15 of the following year. This annual report must be filed if you are between age 65 (62 for women) and 72 and have earned more than \$1200 in that year.

Once you stop your benefit checks, if you believe you may have earnings in excess of \$1200, it is a simple matter to have them started again when you are no longer working or earning more than \$1200. If you would like more information on this, contact your Social Security office in Norfolk and ask them to send you the booklet "How Earnings Affect Social Security Benefit Payments", booklet number OASI-23, or contact your local Social Security representative.
