### Very Successful

here, emphasizing that during the five years here the band made 83 out-of-town performances, many of these being competitive and only once were they defeated, that being by the Durham High School Band. He further outlined the advantages and benefits to begin students in their relationship to music, pointing out that through music, careers were built, citizens made and leaders in all phases of life.

Mr. McCullers acted as master of ceremonies, and then introduced Mrs. William Case, program chairman, who introduced Lieut. Col. Tom Coles of Cherry Point, who delightfully entertained with many feats of magic which brought much laughter and amusement to all.

Mrs. Case then introduced Lieut. Jim Bowers, who delightfully entertained with several musical selections. Lieut. Bowers was accompanied by Mrs. Conleth McDonald.

Toastmaster McCullers then recognized Mrs. Vaughan for the purpose of election of officers for the school year 1957-58, at which time the following officers were elected:

President, Sgt. Paul George; vice president, Mrs. John Bunch; secretary-treasurer, Mrs. Leon G. Leary.

McCullers then introduced Miss Lula Williams, band director, who

made the following awards:

Second year awards were made to the following: Ashby Tarkington, Percy McIver, Dick Goodwin, Eddie George, Judy Elliott, Billy Cates, Sandra Boyce, Bobby Belch, Jimmie Ashley, Ann Spruill and Linda Leary.

Miss Williams then announced that Linda Leary and Brenda Mooney would be permanent ponies for the school year 1957-58.

The meeting closed with singing the School Song.

America's new highway program, just getting underway, will include a 41,000-mile network of two-lane, four-lane, and six-lane—and even eight-lane—expressways connecting 209 major cities.

This road program—which will eventually cost about \$100 billion—is bigger than 60 Panama Canals and bigger, too, than 15 TVA projects. More earth will be moved than in building all the big dams in the country.

It will take time. The Panama Canal took 15 years to build. This tremendous highway program will take 14 years.

There's a lot of work to be done, first. Plans must be formulated and approved in the various states. Routes surveyed, land acquired and contracts let.

Whether you drive 5000 miles a year or 50,000, you stand to gain enormously by the new roads.

If you're an average car owner you now spend at least 300 hours a year in driving time—much of it dragging along in traffic jams.

The new highways will eliminate bottlenecks, provide higher safe speeds. You're liable to save a hundred valuable hours a year. You'll get better gasoline mileage, longer wear from your tires. Your car will take less beating—need fewer repairs.

And most important of all, you and your family will run fewer chances of accidents.

It's estimated that these new highways will save as many as 3500 lives a year.

Scottish Dancers will be presented by eighth grade girls of the Edenton Junior-Senior High School with Mrs. Medlin Belch instructor and Bud Skiles as pianist; Mrs. Frank Elliott will sing "Yesterdays"; Pat Bowers will present a dance, "April Showers"; Treble Clef Club sings "Young and Foolish"; Jane DuLaney will sing "Over the Rainbow" and Martha Byers, Barbara Ann Ough and Bonnie Read will present "Rhythm Tap," with Pat Bowers instructor.

The finale of the show will be the entire cast singing "In the Good Ole Summertime."

The staff for the show includes the following: Director, Lieut. Jim Bowers, USMC; musical director, Conleth McDonald; technical director, Lieut. Dick Frohnen, USMC; lighting director, Cecil Fry; sound director, Randy Lee; band director, Errol Flynn; band personnel, Conleth McDonald, piano; Errol Flynn, drums; Eddie George, trumpet; Percy McIver, trombone; Bud Skiles, clarinet. Lions Steering Committee, J. R. DuLaney, chairman, Ray Childers and Lieut. Dick Frohnen.

the local City Council had agreed to frame and properly present this painting to Edenton and asked their choice of the six. Whereupon Mayor Kehayes informed Mayor Blades that the offer was "most sincerely appreciated" and that a committee consisting of Mrs. J. H. Conger, Jr., Mrs. R. D. Dixon, Sr., and Miss Elizabeth Moore, had selected the Cupola House painting.

Mayor Blades then advised Lougee, who, on April 23, wrote to advise that the "Cupola House painting has been commissioned and I will be in touch with you as

soon as possible after it arrives." Thus, in the very near future, another link in the sincere chain of friendship between these two Albemarle communities will be forged, thanks to Mayor Blades and the Elizabeth City City Council, Mayor Kehayes and the Edenton Town Council, and above all the Ford Times and artist Corydon Bell.

Official date of the presentation will be announced later.

## 20 YEARS AGO

One of the poorest herring seasons ever experienced in this section came to a close.

Considerable interest was aroused in a proposed election to set up an ABC store in Chowan County.

A large number of people inspected the new addition at St. Ann's Catholic Church.

Masons, Rotarians, Lions and Ren Men planned to organize a softball league.

Chowan County home demonstration clubs were planning a three-day tour to Asheville.

Funeral services were held for Jesse W. White, 78, of Merry Hill. Robert L. Pratt entered the Veterans Hospital at Hampton, Va.,

for examination and treatment. Mrs. John A. Holmes was a patient in Sara Leigh Hospital in Norfolk.

Mrs. Martha E. Layden, 70, died at her home in the Rocky Hook section.

Benny Mirelle returned home from the Veterans Hospital in Hampton, Va.

Chicken thieves raided the coops of J. H. Haskett and made away with 16 hens.

Mrs. George P. Byrum resigned as president of Bell Battery Chapter, United Daughters of the Confederacy.

W. D. Holmes announced another Fluffy Ruffles flour contest. Advertisements appeared announcing the annual visit of the popular Silas Green Minstrel.

## Note Of Thanks

I want to thank the many Edenton citizens who voted for me in last week's municipal election. I consider this a vote of confidence for what I have done as a member of the Board of Public Works during my two years as a member. I will continue to serve all the people to the best of my ability.
