THURSDAY, MAY 23, 1957

A LIFT FOR TODAY

Whoever will come after me, let him deny himself, and take up his cross and follow me.—Mark 8:34.

Calvary's cross is the central symbol of Christianity, disclosing the reality that lives at the heart of the universe.

God of all mankind, grant us strength of purpose and courage of spirit to take up our cross daily and truly follow him.

Poppy Day

Saturday, May 25, is Poppy Day, a red letter day for the American Legion Auxiliary, because the true significance of the poppy program will penetrate into the heart of many Americans.

The poppy program is based on a desire to keep forever bright the memory of those who gave their lives for America, and to aid those who live in suffering because they serve their country. To shed light where there is darkness, to make joy where there is sorrow, to give hope where there is despair — are the purposes of the poppy.

Are you as citizens of your community conscious that when asked to "wear a poppy" you are being given the privilege of sharing in this great program? Are you aware that the poppy is offered for you to wear as a personal memorial to our nation's fallen defenders? And do you know that by wearing a poppy you are aiding disabled veterans and needy children of veterans?

Wearing the poppy tells the world that we remember and are grateful to those who made it possible for you and me to live in a country like America, where God is known and worshipped; where every man may use his God-given talents to make a better life for himself and his associates; where family life is sacred and where every child has a right to education and religious training. All this has been secured for us at the cost of sacrifice and suffering. Many are still paying the price.

Pause and reflect on these words which were uttered during the Korean War:

"Dear God, as I go my carefree way,
Help me to remember
Somewhere out there, a man died for me today.

And as long as there be wars
I must ask myself, and I must answer
Am I worth dying for?"

Better Day Ahead

From a youth standpoint, it is encouraging to note that ere long a building will be erected for the Girl Scouts in Edenton. Just last week the school trustees allocated a plot of ground on Hicks Field for a Girl Scout home which it is hoped will be completed for use by fall.

Girl Scout activities have been up and down in Edenton, but under the guidance of Mrs. William Case stock in the Girl Scouts has taken a decided boost in recent months. There are now 80 girls enrolled in four troops and with a new building of their own it should be a safe guess that more interest will be created and that the Girl Scouts will come up to par with the Boy Scouts.

Mrs. Case and Mrs. Molly Hester Holmes are to be congratulated for appealing to the school trustees for the land and the school trustees for realizing the wisdom in providing facilities for our girls.

Nature is a great teacher, if you care to take lessons.

Notice of A Public Hearing Relative To A Proposed Zoning Ordinance for the Newly Annexed Territory of the Town of Edenton ...

Notice is hereby given, in accordance with the requirements of Section 160-175 of the General Statutes of North Carolina, that the Town Council of the Town of Edenton will hold a public hearing on a proposed zoning ordinance for the newly annexed territory of the Town of Edenton at 8 P. M., on Friday, June 7, 1957 at the Municipal Building. All interested persons are invited to attend.

TOWN OF EDENTON
Ernest P. Kehayes, Mayor
Ernest J. Ward, Jr., Clerk

Heard & Seen By Buff

Quite a few people took advantage and thoroughly enjoyed the Armed Forces Day program held at the Edenton Naval Auxiliary Air Station Saturday. The arrested landings demonstration was very interesting, as was the helicopter's manipulations. The aircraft crash and rescue demonstration was also very thrilling, not to mention the group of jet planes which whizzed by at something over 600 miles per hour. It was a case of "here they come and there they go." Ralph Outlaw had somewhat of an advantage, for he had a pair of strong field glasses which pulled objects at quite a distance so that they appeared within reaching distance. He allowed me to look through 'em to see if I could see a house at the end of one of the runways. I wasn't used to the things and in trying to find the house a couple of ladies in bathing suits were in the way. I reached out my hand to pat one of 'em, but the doggone field glasses tricked me. It might be a good thing, too, for had I reached her, there might have been another kind of a demonstration not on the program.

And speaking about ladies' bathing suits, I watched a television program the other night which displayed the newest models for this year. The best I could learn was that the less there is of a bathing suit, the more it costs.

Edenton Lions staged another very good show Friday night in the Elementary School auditorium. The show represented a lot of work on the part of a number of people, who should feel somewhat rewarded for the success of the affair. It would be hard to pick out any individual star performer, but here's one who took a special liking to little Jackie Ough for her "Hokey Pokey" number. The whole show was very good, so here's a hand for all who participated and those who arranged the show.

Bill Rosevear brought a musical football to the Rotary meeting Thursday which caused a lot of fun. One Rotarian asked if it was awarded Bill during his college days. "No," replied another Rotarian, "Bill never played football in college. In fact he gives out playing a game of golf and even plying tiddly winks wears him down right much."

And speaking about Rotary, the father of Jimmy Ricks is now a member of the Edenton club and his name is also Jimmy. Members are puzzled how to designate 'em unless they call one "Big Jim" and the other "Little Jim."

Apparently local fishing grounds are somewhat deserted these days. Reports are to the effect that blue fish are biting like the dickens down Oregon Inlet way, so that quite a few in this neck of the woods have tried their luck—and caught 'em, too. Well, if the fish don't bite around here, the next best thing is to go where they will bite.

Just about the happiest group of people these days are school children. School will close Thursday of next week, and I heard one youngster say that this week seems about as long as a month.

Lieut. William Atherton is gradually rounding a baseball team into shape for the Albemarle League season. Here's hoping the baseball bug will bite local fans, so that good crowds will be on hand for the games. Edenton's first home game will be Tuesday night, June 14, with Williamston.

John Fletcher and I met in the bank Wednesday and were speaking about college graduates. "The trouble is," I said, "a lot of them will want to start at the top and not be willing to start at the bottom and work up." John gave a good answer, saying, "You're right, only a house painter can start at the top and come down."

A movement is now on foot to decide if merchants in Edenton want to close their stores at 7 o'clock Saturday nights. If interested, call Jesse L. Harrell, for he wants to know the pulse of those who will be affected, and if enough are favorable the idea might be tried.

Elizabeth City's Beauty Contest June 12, 13, 14

Warren Hewitt, Chairman of the "Miss Elizabeth City" beauty pageant to be staged in the S. L. Sheep School auditorium June 12, 13 and 14, says co-chairmen of entries and registration are ready to accept applications or suggestions of girls who may be issued invitations to become an entrant. It is suggested that every resident in the area who knows a personable, beauteous and talented young lady to present her name to the committee as a possible entry in the contest.

He called attention to the fact that girls considering the advantages offered to winners of preliminary Miss America contest might recall that Miss New Jersey 1957, Sally Sue Hartman, captured her state title and a \$1,000 scholarship by giving a three-minute talk on the sacred duty of Americans to vote.

This means that a contestant does not have to be musical in order to win the contest. There are many phases of talent which may be displayed to give a girl a chance at the many awards which go with the crown, Twiford and Jennette said.

To be eligible for the Miss Elizabeth City pageant a contestant must be between the ages of 18 and 28 on September 1. She must be a high school graduate by September 1; must never have been married.

She must possess talent, either trained or potential which may include playing a musical instrument, dramatics, dress designing, singing, or any of the fine arts. If she wishes to pursue a professional career, such as nursing, she may present a three-minute talk on her reasons for selecting such a career or on her training to date her aims in that profession.

CHOWAN CLUB MEETS

The Chowan Home Demonstration Club met in May at Chowan Community Building with 12 members and one visitor and one new member, Mrs. J. H. Asbell, present. The group was led in singing "The Church in the Wildwood." Mrs. Roland Evans held the devotional in reporting on a book "Your Prayers Are Always Answered." Mrs. H. D. Dale gave a report on family life concerning and applying the club collect in daily lives.

The Ruritan supper for May 27 was planned and members were asked to be out at the clubhouse by 4 o'clock on that day. Mrs. Elliott gave a report on strawberries. A most interesting demonstration was given on "Well Dressed At A Low Cost."

Mrs. McBride was hostess, serving slipper-shaped ice cream, cookies and soft drinks.

Heads Merchants

Roy Phillips, above, of Rockingham is the new president of the N. C. Merchants Association, succeeding R. W. Wilkinson of Kannapolis. Phillips is president of Wood's Variety Stores. Other officers of the 7,000-member merchants' organization are Charles B. Ziegler of Gastonia, first vice president; Frank McCabe of Raleigh, second vice president; and T. Greenwood, Raleigh, executive vice president.

Dr. John Christian Demonstrates Beef Cuts Without Bone

With some additional trouble on the meat cutters part, a beef can be cut out with most cuts boneless, according to County Agent Charlie Overman. This was demonstrated by Meat Specialist Dr. John Christian, at the Colonial Freezer Locker Plant last week.

Dr. Christian assisted the local plant employees in cutting out several halves of beef as a demonstration. Except for T-bone steaks, generally, the meat cuts were left boneless. Many people do not particularly care for stew beef. The specialist cut out the sides, removed the bone, and converted them into rolled roast.

During the demonstration several people who were patronizing the Locker Plant and having beef cut out at that time were present. Dr. Christian pointed out the various cuts of beef and how they could best be prepared and used. Several asked questions and obtained considerable information.

CARD OF THANKS

I am taking this means to express my sincere thanks and appreciation for the many expressions of sympathy and deeds of kindness in connection with the death of my father, M. C. West. I am especially grateful for the many cards and flowers and these tokens of love will always be cherished.

MRS. RAYMOND MANSFIELD

Firemen Called To Five Fires In April

Fire Chief W. J. Yates reports that there were five fire alarms during April, three in town and two out of town with the town damage estimated at \$70 and out of town \$6,000.

For the Edenton fires the firemen were out six hours and for the rural fires two hours and 30 minutes. The firemen traveled 11 miles in town and 56 miles out of town. In Edenton 1,250 feet of hose was laid and 300 feet out of town. For the Edenton fires 55 volunteers responded and 44 out of town.

NOTICE!

This is to notify the general public that I will not be responsible for any debts made other than by myself.

Thomas L. Ashley

Property involved in the Edenton fires was \$381,300 and \$6,000 out of town. Insurance in town was \$240,000 and none out of town.

During the month firemen answered three still alarms, filled 11 fire extinguishers, attended school in Plymouth five nights and extended four courtesies.

FATHER DIES

Mrs. Raymond Mansfield returned home Monday from Berlin, Md., where she was called to the bedside of her father, M. C. West. Mr. West died Friday morning following a long illness.
